Foreword

Two years . . . Five Years . . . Ten years . . .

Changes . . . Changes . . . Changes . . .

Now . . . 1960 . . . East High School stands on a hill, surrounded by trees, shrubbery, and grass.

Soon . . . 1970 . . . East High School may hang suspended in air, surrounded by stars, meteors, and sub-planets. No more brick walls . . . all plastic. Homes will be prefabricated. Russia lies at our back door, shooting moonbeams at us. We return our thanks with polyethylene paper wads.

Talk . . . Talk . . . Talk . . .

People will communicate by electronic signals. Teen-agers no longer will listen to wild musical programs, but to intellectual research programs. Along with television now comes smellavision, travelavision, and visitavision. Jets will now travel at the speed of 7 minutes and 42 second around the universe. No more relatives in California . . . all on Mars or Venus.

Study . . . Study . . . Study . . .

No more history books . . . all East High students will carry pocket size dictionaries, adding machines, and portable dictaphones. No more classes to attend . . . everyone will have a "Do-It-Yourself" home graduating kit.

Time . . . Time . . . Time . . .

No more clocks . . . No more calendars . . . No past . . . No present . . . Just future . . .

Progress . . . Progress . . . Progress . . .

No more steel strikes . . . just plastic ones. No need for washing machines, no cleaning bills . . . The air will be so pure that clothes never get dirty.

Future . . . Future . . . Future . . .

The future takes time . . . time holds life . . . life causes talk . . . talk helps study . . . study pushes progress . . . progress causes changes.

Dedication

A slide rule, a pencil, a book
Were among her worldly possessions.
An assignment sheet on the wall
Designated the daily lesson.
Among her few class rules,
She couldn't put up with snoring.
But a fella seldom got sleepy
For her classes were never boring.
She symbolized each little square
With a dog or a cat at each angle.
She could draw a line to infinity
And sketch a perfect triangle.
Yes, for 32 years she reigned
O'er problems that often stumped us.
And to us she will always be
Our Queen of the ruler and compass.

Miss Vee Flinn, Teacher and Friend

"A line can be drawn to infinity," Miss Flinn would say as she walked out the door, running her finger along the wall in a straight line. She would go all out to put a point across.

Through her various classes of algebra, geometry, and trigonometry, she gained many friends. Her early morning classes were always filled with her young admirers as she helped them "catch up" on their back assignments.

During 32 long years of service and hard work, she remained a great teacher, loved by all who knew her.

Though she often called us by names unfamiliar to us, we loved her. She was really a class-room clown, and she was happy.

And so with fond memories of many pleasant times, we dedicate our 1960 Eastonian to our very dear friend, Miss Vee Flinn.

FLOWERS AND FIGURES PLAY A BIG PART in Miss Flinn's school life.

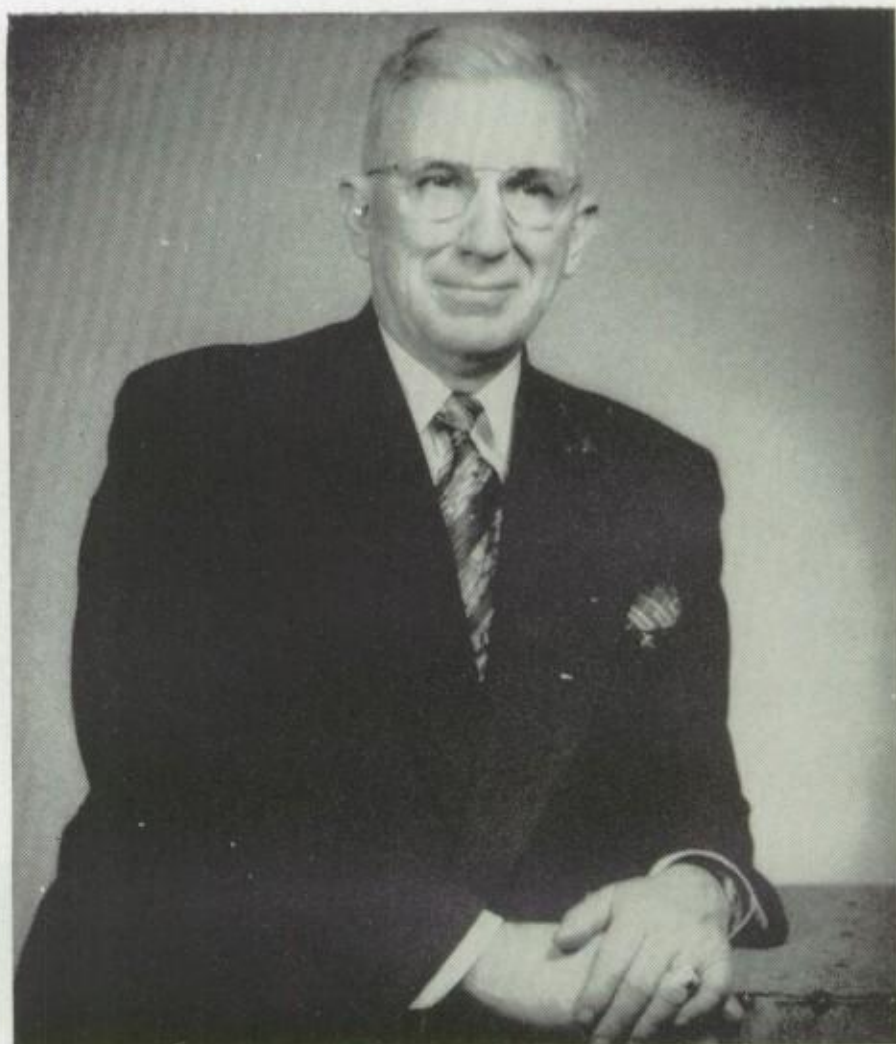

SMILING, SHE DISCUSSES a complicated figure with one of her classes.

School Accents Academic Potential

Ever a Symbol of Patience

C. O. Williams—Principal

Mr. C. O. Williams, Principal of East High School, is always found with a smile on his face and a "hello" to everyone he meets, whether it be in the halls or on the street. He has had much responsibility and is always willing to help students and teachers who come to him. He has a sincere interest in every student and every organization at East.

Mr. Williams is well known to others than the

students and faculty at East. He is a speaker, a scout leader, church worker, and an enthusiastic supporter of activities for youth.

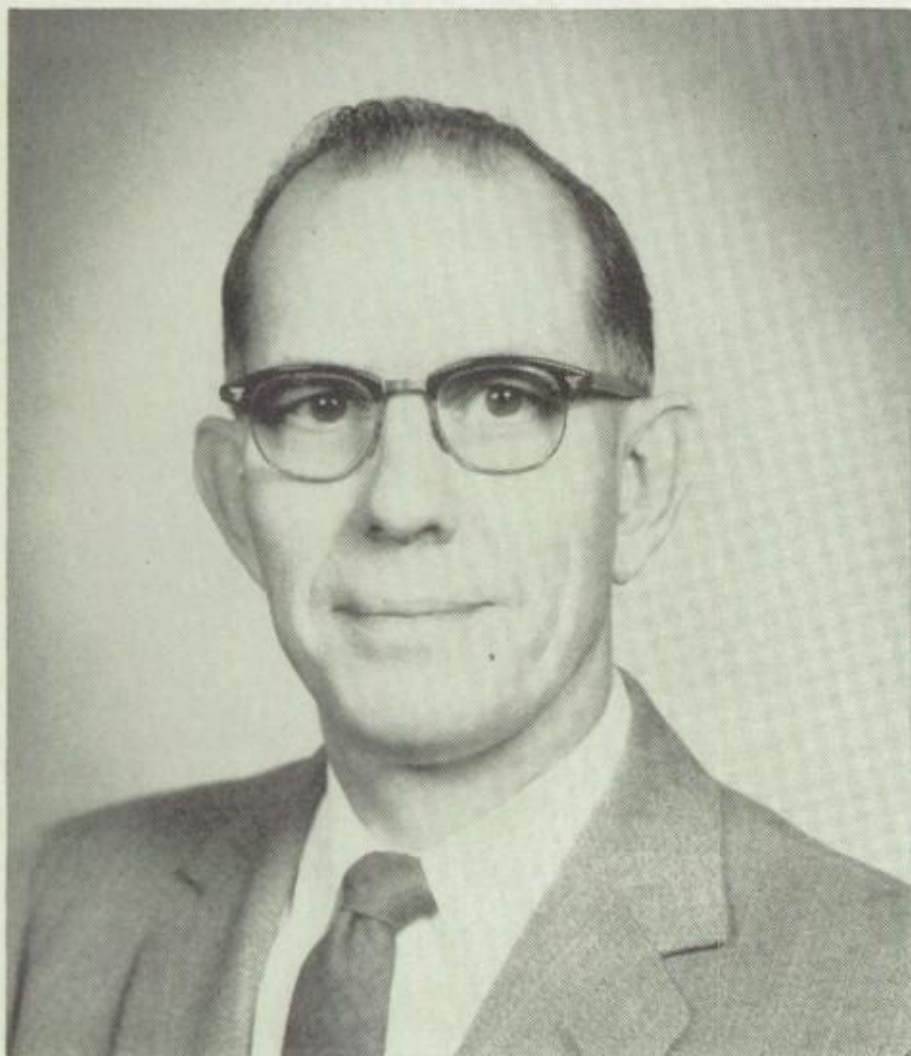

Since Mr. Williams' arrival at East in 1945, he has launched an active campaign to step up school efficiency, spirit, and pride. The respect with which the students look toward East is proof of the success of his campaign.

THE STUDENTS OF EAST HIGH SCHOOL are always welcome in Mr. Williams' office.

OUR PRINCIPAL TAKES GREAT PRIDE in his family.

L. Clayton Dickson—Vice-Principal

Leading With Youthful Spirit

Mr. L. Clayton Dickson . . . a family man with responsibilities, is the foster father of the 1,950 students that attend East . . . our vice principal that everyone knows by his quick smile, his readiness to help, his enthusiasm and zest, his feeling for East, and his participation in her activities. It is nothing to see Mr. Dickson among the crowds of cheering East Bears at a football, basketball, or track game, urging our boys on to victory. It is this "youthful spirit" that endears Mr. Dickson to the students.

Mr. Dickson presides as master of ceremonies for

almost every assembly. He can be found in the cafeteria during all lunch periods supervising the cafeteria proctors and making sure everything runs smoothly. He also supervises the Literary Societies and presides over the Inter-Society meetings, and if at all possible, attends their social functions. He starts the ball rolling for the Junior-Senior Prom and takes care of a million and one other jobs to keep the students and faculty happy in the school.

The vice principalship is a hard and demanding job, but Mr. Dickson does his job and does it well.

MANY OF THE STUDENTS COME TO MR. DICKSON for consultation on special problems.

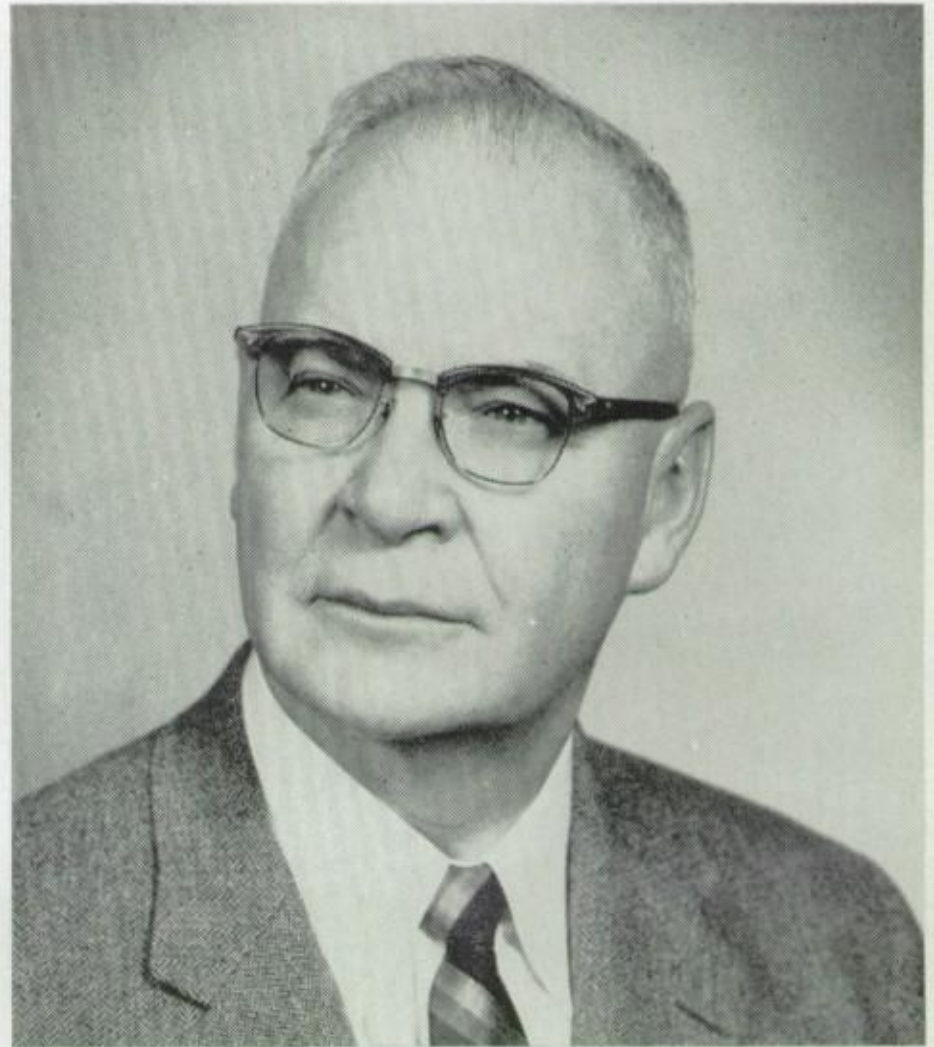

PASSING OUT IDENTIFICATION CARDS to the cafeteria proctors is one of his prominent duties.

Anna C. Stewart—Counselor

Edwin J. King—Counselor

Counselors Serve As Guides to Further Education

Counselor and advisor for the seniors, sophomores, and eighth graders this year was Miss Anna C. Stewart. Cheerfully and willingly she gave her time and help to make the school life more enjoyable for the students here at East. A few of her many duties were helping the seniors to attain scholarships, encouraging the attendance of colleges and universities, sponsoring the A.A.U.W., and guiding the students in the right direction for their future plans. She was ready to receive a student at any time to counsel concerning personal or school problems.

Miss Stewart has been at East nearly fourteen years. Her most enjoyable hobby is traveling.

MISS STEWART COUNSELS WITH A HIGH SCHOOL BOY on his plans after graduation.

A pleasant smile and quiet manner are the two characteristics that best describe Mr. Edwin J. King, who was the freshman and junior counselor this year. With his intelligent and dependable judgment, he has been guiding and counseling the students at East for three years. This efficient counselor has the job of planning schedules, aiding in finding outside work, and working with the everyday problems of the students.

Mr. King came to us from Westport High School. He enjoys fishing with his wife and son at their cabin in Colorado.

POSTING BULLETINS FROM VARIOUS COLLEGES is one of the many duties of Mr. King.

Office Staff Assists With Accurate Records

OFFICE PROCTORS ASSIST FACULTY in filing student cards and checking attendance. They are (left to right): Jacqueline Raw, Paula Cassity, and Roberta Adamson.

Busy, busy, busy is the only description for the office staff. They take care of the records, absences, tardies, type bulletins, put mail in the teachers' mail boxes, and are responsible for many, many other odd jobs. Their days are filled with incidents which they deem necessary to make the school a smoothly run institution.

The student office proctors aid the staff by running errands, looking for the cards of certain students, filing, as well as other jobs that lighten the loads for the women in the office.

THE MANY DUTIES OF THE "WOMEN BEHIND THE COUNTER" make the time of day pass quickly.

Algebra, Geometry, and Trig Are Only the Beginning

The days of two apples and three apples equal five apples are far gone for the mathematics students of East high school. The Algebra, Geometry, and Trigonometry classes pose some rather complex problems that challenge the eager minds of the students, as they seek the solutions to problems requiring skill and concentration.

Mathematics is no longer a simple matter of ciphering, but today it is an essential part in every field. In our era, in order to train for the jobs of the future, it is necessary that we comprehend the fundamentals of mathematics and have a command of the science. Our high school years are the only opportunities we have to acquire these objectives. With the capable guidance of our faculty, this comprehension is more easily attained.

A SMILE IS ALL IT TAKES on grade card day, when it's coming from Mr. Wolfe.

Advanced Science, Now a Routine

"UMMMI PICKLED FROG LEGS FOR DINNER!" Mrs. Bates gives the demonstration to one of her biology classes.

"THE JAW BONES CONNECTED TO THE" . . . explains Mr. Grube to his Human Science classes.

"TOMORROW'S ASSIGNMENT IS—" directs Miss Nora Boone, with a broad smile on her face.

This year the science department was engaged in many new as well as old activities. Along with the traditional Chemistry, Biology, Zoology, and Human Science classes, a special Physics class which lasted two and a half hours each day and did two semesters of work in the first semester, was added to the Science Department. The students in this class earned college credit for the second semester.

In Chemistry classes, Tuesday and Thursdays were laboratory days. Specimens of all sizes and shapes marked the Biology and Zoology rooms, adding to the excitement of studying these subjects.

English Introduces Classics

Compositions, poetry, free-verse, and research papers were just a few of the many interesting assignments given to the students of the English classes. A student read and discussed the mystifying classics in order that he might understand them more clearly. He learned the underlying meaning in poetry and how to express himself through poetry and essays.

During the high school years our young minds have grown and developed. For this reason we were pressed to find new ways to express ourselves and our ideas. English offered us this means of expression.

The Senior English classes exercised a sample of a college assignment this year. The students read novels, autobiographies, encyclopedias, and periodicals on certain subjects having to do with England and compiled a five-page research paper on what they had read and learned about the subject they had chosen. This was very good preparation for those students planning to attend college, as well as being interesting.

"SALUTATIONS!" Miss Virginia McClure tries to interpret the daily Latin lesson to her students.

ASIDE FROM HER REGULAR CLASS HOURS, Miss Marie Burrus spends much time working in the book room.

Manual Arts Develop Skill

The Industrial Arts department consists of five main divisions. Foods and clothing were two subjects that were offered to girls this year. The three classes for boys were metal, wood, and drafting.

In the foods class, the girls prepared various types of vegetables and fruits. They were also taught how to set tables and place settings for teas and luncheons.

The shop division for boys helped them to learn and improve their skill in building different things such as cabinets, magazine racks, and coffee tables.

History Follows Modern Methods in Modern World

Special studies on the dark continent of Africa, discussion of current events in the news, the tests for Missouri constitution were some of the activities that greeted the history students this year.

It is the purpose of history classes to make better citizens out of the students by acquainting them with their government and its politics, development of other countries, our foreign policy, and the problems in our world.

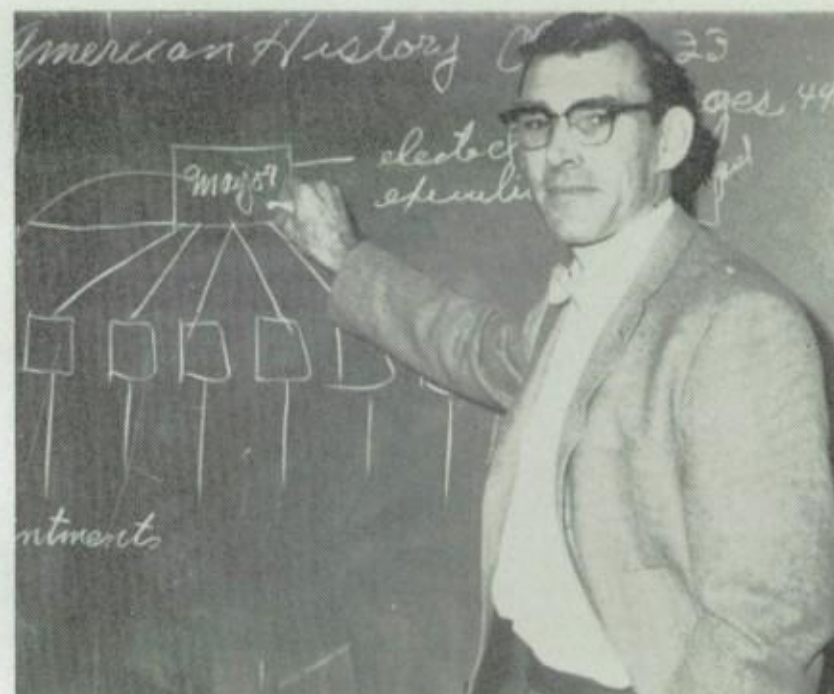

Each and every person needs to understand and believe in the principles that our government is set up under.

EXPLANATIONS OF AMERICAN GOVERNMENT are illustrated by Clayton Newton, a new history teacher this year.

MR. MERVEL P. LUNN'S CONTROVERSIAL LECTURES and heated class discussions always kept his classes interested and wakeful.

Commerce: A Step Toward the Future

The three divisions of the commerce department are typing, stenography, and bookkeeping. During the past years East has set up an organization especially for those students in the commercial arts, the Future Business Leaders of America. Teaching about good and bad businesses are the main points brought out by this group.

The first year typists tried very hard to reach the goal of so many words. Legal documents, stencils, and business letters were the new and interesting typewritings that were enjoyed by the second year typists.

There were two years of stenography available for shorthand students. During the first year they learned the fundamentals of taking dictation and the shorthand vocabulary. Then in the advanced classes they translated their work after taking dictation from a record.

Bookkeeping proved to be very exciting this past year. State-wide tests were given, and many students received silver pins. The highest student in each class received a gold pin. In this division they learned how to keep accurate accounts of business firms.

THE STUDENT-FACULTY VOLLEYBALL GAME brought sore muscles to the teachers, as it wasn't a habit to be "beaten" by their pets.

Common Learnings Extend Basic Facts to Students

Common Learnings is a preparatory class for all eighth grade students, helping them prepare for the many changes they must face in high school.

This class is made up of English, social studies, spelling, and speech, which was added this year.

The Missouri Constitution test is the annual highlight in the Common Learnings department. This test must be passed by everyone before he can go on to the ninth grade. The making of maps, visiting the library, and taking many educational field trips helped students in studying other units.

The Arts Round Out Curriculum

Included in the Fine Arts Department are many elective courses: Drama, speech, art, and music.

In the drama class, the students learn about the techniques of how to read and discuss plays, how to apply stage make-up, and how to produce two successful plays each year. Speech students learn to speak in front of a group, recite poetry, and learn to understand and interpret it.

This year the students taking art made many posters for different activities and, for the first time at East, made Mosaic designs out of cut glass.

From the music department, you could always hear sweet sounds being made by the choral groups.

Physical Fitness Stressed

Keeping everyone in trim the year round were the Girls' and Boys' Physical Education classes. Exercises played an important part of the hour-long class, but they also had time to participate in many active games.

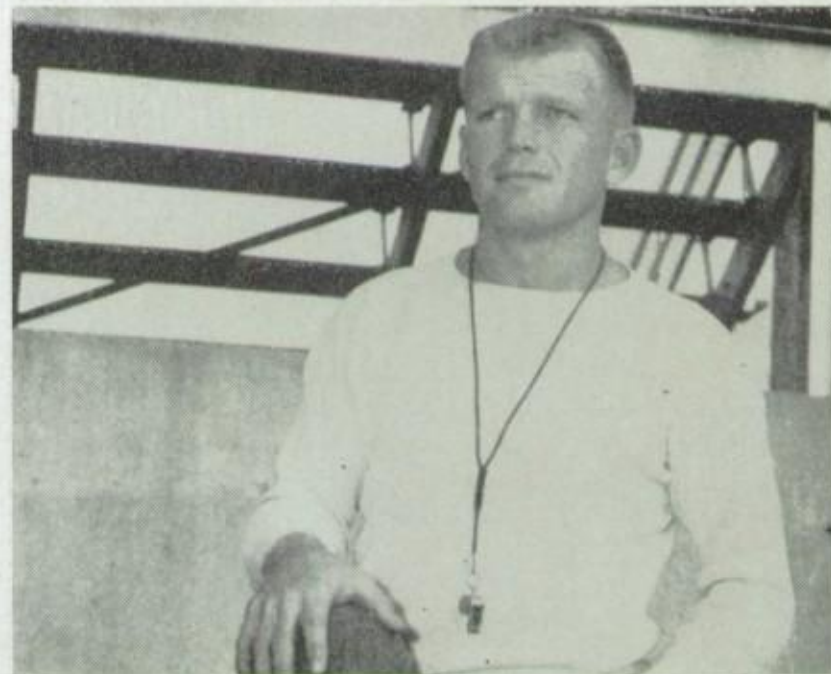

Sea Nymphs and Athenians are two of the Girls' Physical Education clubs. The Sea Nymphs were sponsored by Miss Sondra Kiser. They participated in swimming events throughout the year. Athenians, a girls' athletic club, was sponsored by Miss Helen Cox. These girls backed the faculty-student volleyball games, sports days, and the Junior-Senior basketball game.

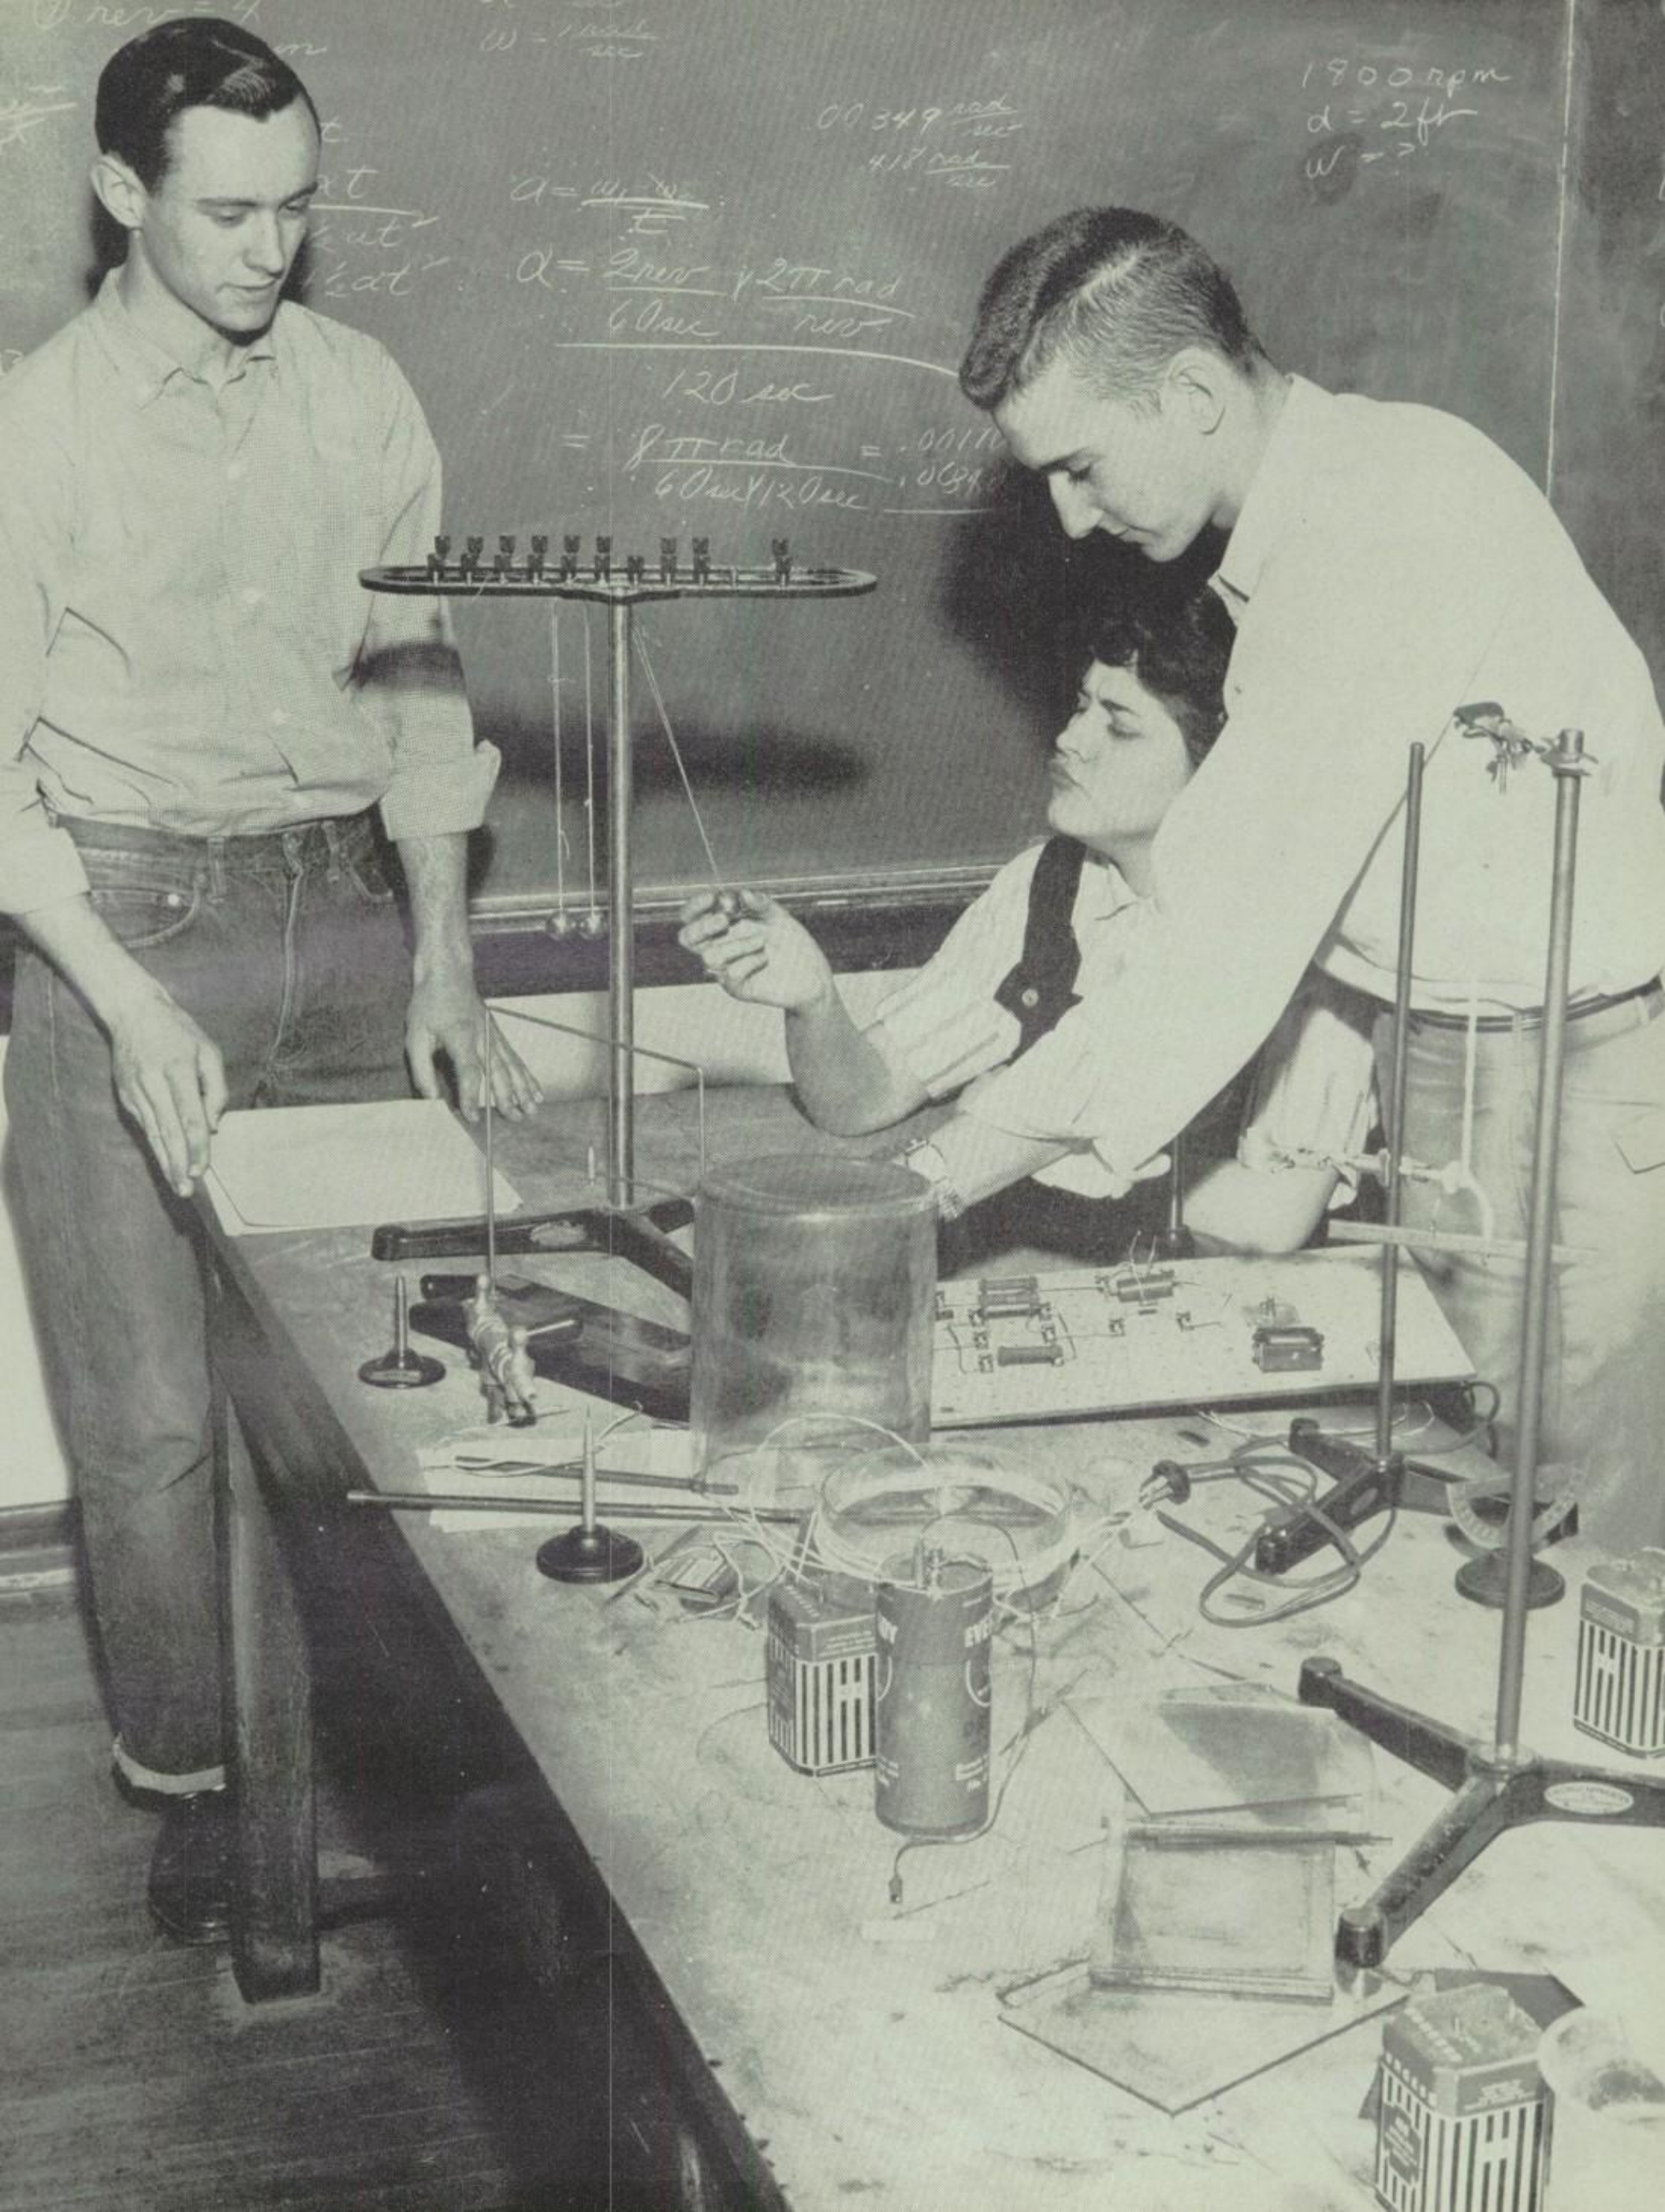

Advanced Driver's Education was another of the fine activities that kept East's students busy. Driving the Driver's Education car and learning the parts of the motor were a few of the things taught by our two fine Driver's Education teachers.

TIME OUT FOR DOUBLEMINT! Harry Driefus pauses for a few moments' rest during his busy days of football and basketball coaching.

Books: The Basis of Knowledge

Through four years of high school, students have come to know the library as a collection of books, arranged according to the Dewey Decimal System, and located through a Catalog; magazines are indexed in the Reader's Guide. All these things are helpful in doing not only school work, but also in the research of every possible field. When the high school days are over, the library should remain as the one part of school life that always "belongs" to its graduates. It will always be available to help each and every one of the students expand their knowledge of the world.

Tennyson said in "Ulysses":

"I am a part of all I have met
Yet all experience is an arch where-through
Gleams that untravel'd world whose margins
fade
Forever and forever when I move."

A library can be this arch.

The students also know of the fine ladies and pages we have in the library. They are always willing to help us select our books in the best of taste.

Health Center Proctors Aid Nurse

Miss Esther Frantz, who received her Nurse's Training and graduated from the Research School of Nursing, completed her third year at East High School as school nurse. Before coming to East, Miss Frantz served as school nurse at Manual for four years and before that she served nine years in elementary schools.

The Health Center was always full of students who kept Miss Frantz busy, but she managed to find time to be active in the Belmont Christian Church Choir. She also taught the Junior-Senior Sunday School class. Miss Frantz enjoys making scrapbooks of her summer vacations. She has traveled from the Pacific Coast to the Atlantic Coast and from Canada to the Gulf of Mexico.

Her proctors were kept very busy with first aid, cleaning and reading thermometers, making beds, filling out re-admittance slips, and filing. Many of the proctors are looking forward to becoming nurses after they finish high school. Also helping the nurse in the Health Center were many of the P.T.A. women. They helped with the vision tests and weighing and measuring the new students.

In the future, Miss Frantz hopes to find time from her many activities to organize a Future Nurses' Club.

Cafeteria Staff

Blending, Baking, Management, Carried Out by Staff

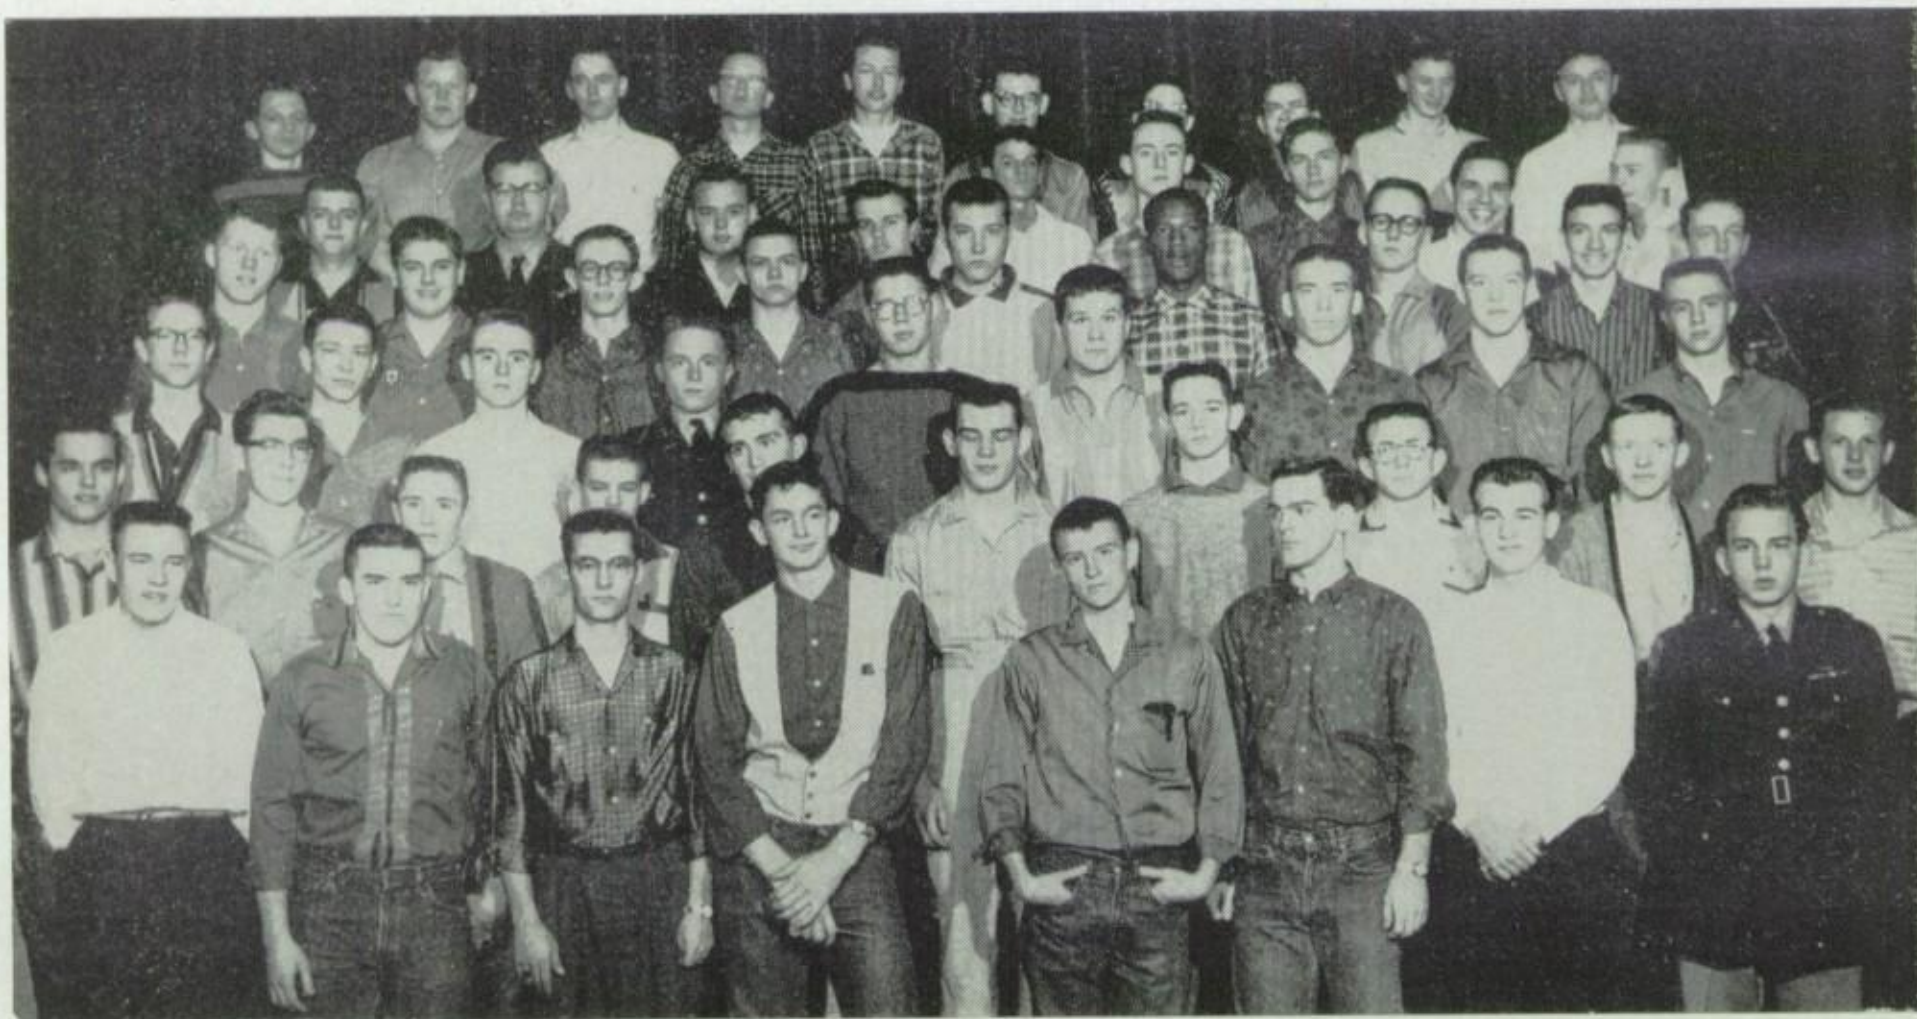

Guiding the cafeteria, as cafeteria manager, was Mrs. Erva Greer. She served her second year of smooth management with the cooperation of the cafeteria staff.

The members were always found busily working when it came time for the students to eat. The five lunch periods, which began at 11:00 o'clock and ended at 1:15, were filled with fun and laughter for

everyone. The food was prepared for all lunch periods each morning by the staff.

Mr. L. Clayton Dickson, Vice Principal, supervised the junior and senior boys who proctored during all periods. The proctors worked with the cafeteria staff in helping run each lunch hour smoothly and efficiently. Also helping each period was one of the faculty members.

To Better School Welfare

Backing such activities as teen-town, Fairyland picnic, and open house, is the Parent-Teachers' Association.

A good deal of time is devoted to meetings, but the P.T.A. always finds time to work for the welfare of the students and community. Under the direction of Mrs. C. Harold Mann, the group of parents and teachers were able to accomplish and provide many activities for the students of the '59-'60 year.

The class of '60 graduation party and early morning breakfast was once again sponsored by the P.T.A. A Founders' Day program, which was headed by Mrs. Opal Rapp, was a successful event.

42 Chosen to

This year, as in the past, the most outstanding members of the Senior class were chosen to become members of the National Honor Society, the most coveted accomplishment any Senior can hope to achieve.

To be eligible for membership, a Senior must rank in the upper twenty-five per cent of his class. Not more than fifteen per cent of any class can be chosen. The members are selected on the basis of their standings in Scholarship, Leadership, Character, and Service to the school.

The faculty committee for National Honor Society was composed of the following teachers: Miss Carolyn M. Dasbach, Chairman; Miss Nora Boone, Mr. Paul W. Day, Mr. Bernard C. Greene, Miss Katherine Miller, and Mr. L. A. Priefert. Ex-officio members were Mr. C. O. Williams, Principal, and Mr. L. Clayton Dickson, Vice-Principal.

Faculty members are given an opportunity to screen the upper quartile for the name of any student they feel should not be eligible for candidacy.

Student Body Forms School Spirit

This year's Student Council of 1959-60, under the capable sponsorship of Mr. Mervel Lunn, initiated an interesting program of achievements and student-supported activities. This program would not have been possible without the guidance of the officers: Ronnie Gulick, president; Joyce Ogrizovich, first vice-president, and Linda Wilson, second vice-president. The second semester was led by Lowell Fisher, president; Lana Hart, first vice-president, and Jerry Womack, second vice-president.

Some of the activities that the Student Council sponsored this year were an all-school mixer, a locker clean-up day, Hi-Day, the arrangements of the John N. Broadlick citizenship award and as-

sembly, and also three appearances on the Heart of America Bandstand.

The goals that the Council worked for were a student activity card, and a foreign exchange student. They will be responsible for raising the money for an exchange student. It is hoped that by having French added to our curriculum next year that it will be easier to obtain a foreign student.

The purpose of the Student Council is to promote a better understanding between students and faculty and to represent the wishes and suggestions of the student body as a whole. We appreciate the sincere efforts of these fellow students and feel that they have more than fulfilled their duties this year.

Red Cross

Ready With Assistance When Need Arises

The Red Cross, with support from the school, carried through many activities during the year. Members of this organization pushed the gift chest fund as well as the membership drive in March.

The work of the various committees strived to make Red Cross a complete school project instead of a duty for members only.

The gift chest committee worked together to make our chest better than ever. Along with the usual supplies, our last year's yearbook was included.

Seeing the halls filled with colored posters was the result of hard work from the publicity committee. The trip to Wadsworth Hospital gave the students an opportunity to pass out Christmas stockings to the Veterans there. They also acquired many new facts which they had never known about the work of the Red Cross.

All in all, the Red Cross members of 1959-60 feel they have contributed to a successful, prosperous year.

A new organization this year was the Tri-Hi-Y, sponsored by the YMCA. The sponsors were Mrs. Wright and Mr. Morton. East has a sophomore, junior, and senior club. Every Tuesday night the junior and senior groups met for their weekly meeting. The sophomores met on Wednesday evenings.

The clubs have had a money-making project of a car wash in which many turned out to clean and shine their friends' cars for a reasonable sum. This was in hopes of leaving funds in their treasury to help next year's members.

Meeting regularly every Tuesday night at the Y-hut were the Sophomore and Senior Hi-Y boys, sponsored by Mr. Dave Morton. Mr. Morton came from the Y.M.C.A. to help guide the boys in the right direction and to show them how to apply themselves to their environment.

Once a month these boys had a joint meeting with the girls of the Tri-Hi-Y clubs. The young men's activities included informal lectures, movies, discussions, and speakers. One of the most interesting speakers the boys had was an officer from the narcotics division of the Kansas City Police Force.

"A" Team Cheerleaders

Six Girls Lead Varsity

Six peppy girls in colorful outfits: white culottes, green shoes, and a green V-neck sweater with white dickies, led our fighting bears on to victory while attending all the football and basketball games. Their weekly workouts required many skills: round off, cartwheel, and the various jumps, which kept them in shape for the following game.

The girls also participated in helping all Pep Club members who tried out for cheerleader with the required cheers. The sponsor, Miss Sondra Kiser, a past cheerleader of East, gave many helpful suggestions to better the cheers and skills.

Several new cheers were taught to the Pep Club and later presented to the student body. With the Pep Club, these girls worked to better the spirit in urging the students to attend all the games.

Outside activities included a football banquet with the football boys and a cheerleading dinner held April 13 at Italian Gardens. Spaghetti and meatballs, shrimp, and sirloin steak were among the orders of these hungry girls after a full year of cheerleading.

"B" Team Cheerleaders

Six More Lead Cubs

The '59-'60 "B" team cheerleading squad sported the opposite outfits as the varsity girls. Wearing white crewneck sweaters with white dickies, black keds, and green corduroy culottes, these six girls led the Cubs through both football and basketball seasons. Their undying pep kept them going as they cheered the "B" team games and also substituted in for the "A" team cheerleaders when they were unable to cheer.

This was the second year that the "B" team has been a part of the cheerleaders. They must meet all the qualifications that the "A" team does.

Tuesday night practices with the other cheerleaders kept them in shape for the games. They helped promote the games, pep club, and pep assemblies which were held after school. They also wore the "Yogi Bear" outfit to feature our mascot and promote good relations between the different schools as the bear greeted the other schools with a "good luck" cheer.

These peppy girls have helped to bring about many new changes as they brought crowds out to see the present "B" team and the future "varsity."

With new outfits consisting of black corduroy pleated skirts, white sweatshirts, which carry out the East Bear, and black keds, the 1959-60 Pep Club joined together to cheer the boys to victory. These loyal bears were a common sight at all the football, basketball, and other East activities this season.

With the many accomplishments came the new constitution and point system, the pep assemblies, and better organized meetings. Several new cheers were introduced and written by the cheerleaders and then presented to the Pep Club. After working together during several meetings, their long hours of hard work showed up at each game when the cheering began.

Linda Stone was unanimously chosen as honorary mascot as she loyally cheered every East game from her wheelchair. A very proud Bear she proved to be.

As this year ends, the Pep Club is hoping to raise money this summer to send the 1960-61 cheerleaders to a cheerleading clinic next summer. This, along with a bigger and better pep squad, will surely help to boost school spirit in the years to come.

HUMOR IS BROUGHT INTO THE DRAMA CLASS while preparing skits.

"To frolics in disguise" truly defines this year's Masqueraders. They not only presented the fall and spring plays for enjoyment, but they also learned the different and exciting duties concerned with bringing the world of "make believe come alive" on the stage in the Spring Play, "Harvey." In contrast "Cry Havoc" was presented as a serious and moving story of nurses during the battle of Bataan.

Mrs. Carlisle, the busy and vivacious sponsor, adds sparkle to her drama class by presenting motion pictures on the art of makeup. In this way, they learn how to present the actual angle of the characters.

The Masqueraders viewed and read a variety of plays to perfect their skills. Learning to set up a stage, to create proper sound effects, and to build and paint scenery certainly made "Cry Havoc" and "Harvey" outstanding successes.

Speakers' Bureau Learns Art of Orating

The Speakers' Bureau was organized in 1952 by the sponsor, Miss Eva VanNatta. The membership is composed of the students of her public speaking class.

The Speakers' Bureau participates in the "I Speak for Democracy" contest, The American Legion Constitution Oration Contest, and the annual Literary Contest. This year the members also learned about and practiced debating.

The members, which are in her sixth hour public speaking class, gain knowledge and technique. They also practice better speaking habits, which will better them in their future years of speaking. Most second year students go on to the Drama class in their senior year.

The annual dinner for the members was held at the home of Eileen Ross. A Hawaiian Luau was the setting for a lovely dinner enjoyed by all.

This year's Constitution Oration contestants were Deanna Davis, Jean Winders, Sharon Childers, and Joe Needles. Joe also represented East at Southwest in an elimination contest.

STUDENTS TAKING MATH OR SCIENCE COURSES are eligible to join the Engineers' Club.

The Engineers' Club of East High School was organized in 1934 for those boys interested in engineering and mechanics and who hope to advance in this field.

During the time that this club has existed, several speakers have appeared before the group to talk on all phases of the subject. Films were also shown. This year, Mr. Tiefel pointed out many important factors in engineering along with the many field trips that were scheduled.

This training helps to prepare the boys for the future. Most of them plan to continue their schooling after high school in order to fulfill their dreams of becoming engineers in one field or another.

THE HAWAIIAN LUAU featured flowers and food.

Selling ball-point pens and making puppets for the children at Mercy Hospital are among the activities of the Future Homemakers of America. This year, however, the girls attended the district meeting at Raytown, Missouri. At this meeting, they learned many new and interesting facts about the home.

The club was organized for those who are in some way specializing in the domestic arts in the future. Along with making dolls, the girls made articles for their own homes. It gave them a good background for becoming homemakers.

To Lead the Business World Is Our Goal

The F.B.L.A., with Miss Mabel Mary Cobb, fulfilled a busy year of weekly meetings with lively entertainment. Demonstrations, speakers, and talent programs added to the variety of each meeting.

An Anti-Littering project to "Keep East High and Kansas City Beautiful" coupled with the annual

sponsoring of the NOMA Spelling Test kept this organization mighty busy. The club worked together in order to promote an Inter-Departmental Christmas party and picnic in the spring. Both proved to be successes. The work of this organization will surely be good business preparation for many East High students.

Appreciation of Beauty Shown Art Students

The Art Club is an organization in which boys and girls can join together and share their interests in art. The club's colors are blue and orange, and the pin is a tube of paint having a little "E" on the front with a brush crossed behind.

Miss Agnes K. Crawford sponsored the club the first half of the year, but Miss Yvonne Parkerson took over the second half with Mrs. Shirley Brown, another art teacher, assisting her. Walt Disney's exhibition at the Kansas City Art Institute highlighted the year.

This year's Spanish Club enjoyed, along with studying, the recreation, food, music, and other living habits of our south-of-the-border neighbors. In doing this they are promoting international good will between the two countries.

Every year the club begins its activities with the initiation, which everyone looks forward to. All agree a "tangy time" is had by all, especially the new members.

It wouldn't be a party without a pinata, a surprise package to be broken while one is blindfolded, so the club contributed one to the all-departmental Christmas party.

Activities at the regular meetings included dinner at a Mexican restaurant, a speaker from a Latin American country, movies with Spanish dialogue, a Spanish guitar song festival and games played in lively Spanish.

Learning the different customs of the people make it more interesting to learn their language. Along with the help of their sponsor, Miss Thornton, the students found the language much easier to learn as they had the many colorful activities to make each lesson an interesting project.

Latin Club

Latin Grows With Interested Students

The Latin Club, one of the largest departmental clubs at East with 118 members, is sponsored by Miss Virginia McClure. All students who are enrolled in Latin became members and attend each meeting as they are held once a month during class time.

Kansas City had its fourth regional conference of J.C.L. on March 13 at the Covenant Presbyterian Church with an attendance of 177. Jim Hix, Southeast High School, was the president.

On April 9, members of J.C.L. from East, Central, Southeast, and Southwest went to the state convention in Columbia, Missouri, where 950 delegates were registered.

During the first semester, our J.C.L. programs were about the myths connected with the stars and constellations. Second semester was spent in preparing for the two conventions, presenting a program to the whole school during the lunch-study periods, and preparing for the National Latin Examination.

Each year, five outstanding junior girls are selected on their high citizenship and scholastic ability to become members of the American Association of University Women. The five junior girls are selected by the counselors on the basis of their past records.

The A.A.U.W. is an honorary group, organized to develop more interest in college. The girls that are selected also have to have the intentions of furthering their education. If they continue on to college, they are then eligible to join the senior A.A.U.W.

A Christmas brunch and a spring tea are the annual events where former members of the group speak. These events are enjoyed by all the girls and will be cherished as one of their high school honors.

Stage Crew

Stage Crew Aids School

Adding the finishing touches to each program produced here at East is the forever busy stage crew. These busy boys have to be at every rehearsal, morning or night.

Mr. Michaels, sponsor, advises them on new techniques to give the shows a modern lift. This is done during rehearsals, as the members of the crew have no designated meeting time.

Helping with scenery, also, is one of their activities. The main prop they worked on this year was the "Witches Pot" for the Outburst.

They have to tend to the lights, and this ranges from spotting a complete line dance to following an invisible rabbit.

But even with all this work the boys always seem to have time for a joke and a laugh. This seems to help the nervous performers as they go on.

Five Busy Literary Clubs

Literary societies are an important part of school life here at East. They have been here for a long time—the first one, Kalailu, was established in 1926.

Literary clubs serve many purposes—literary and social. Club members learn to appreciate literary work and to develop what talents they have.

The literary contest proves to be the biggest, most important, and the most exciting event of the year. Tension mounts to almost unbearable heights right before the contest. Who will win? What will the jackets and outfits look like? These are a few of the questions that go unanswered until that night, when, in a few short hours, the fate is known.

INTERSOCIETY REPRESENTATIVES LISTEN attentively as new society rules are presented.

THERE'S A MAD RUSH as big sisters collect food for Eulexian orientees at the spring tea.

Contribute to School Life

The Eva Van Natta plaque is then presented to the winning club to keep for a year. Soon after the contest, things settle back to normal.

On the social side some of their many activities include after-the-lit-contest parties, potlucks, song practices, and, of course, teas and milks.

The teas and milks are held in the spring and in the fall during orientation week. Usually either at the tea or milk, or at the potluck, the orientees are given a chance to show the other members their literary talents by writing a poem, story, essay, or giving a declamation, oration, or an extemporaneous speech.

"BRING ON THE ORIENTEES!" is the cry at this Leundian party.

THESE KALAILUAN ORIENTEES ARE kept busy as they amuse members.

RONNIE GULICK SAMPLES the orientee rations while other Webster members look on.

Is Symbolized by the Colors of Blue and White

Robert Buchanan
Sponsor

Under the sponsorship of Mr. Robert Buchanan and Mr. Jerry Winegar, co-sponsor, the Hamiltons successfully completed their thirty-second year as a literary club at East.

The Hamiltons enjoyed many social events this year—orientation parties, song practices, and Hamilton-Leundian parties.

During the Christmas holidays "Hammies" held a Christmas party with the Leundians which was fun for all who attended. Food was brought by both societies and games were played. Another party to be remembered was held at the Eastwood Country Club after the lit contest April 8. Everyone had fun dancing, drinking cokes, and just talking.

The colors of blue and white signify this club.

Kalailu was organized in 1927. Since then, it has prospered in furthering the literary ability and friendship of its members.

K.L.S. made some changes this year. Her guys sported black and white, while her dolls wore red and black outfits for the Literary Contest. A new club song, "Pledge of Victory," which was written by one of the members, was also added. The membership was boosted by sixteen new Kalailuans.

Mr. Norman Ford and Mr. Francis McGreevy sponsored Kalailu and her activities this year. Orientation parties, teas, potlucks, and initiations, a pizza party, slumber party, and annual picnic were enjoyed by Kalailu's members.

Over-all strength was the deciding factor in the Eulexian victory as they placed in every event.

Hamilton, winner of the contest the past two years, failed to place in any event. They thus turned over the Eva VanNatta plaque to Eulexia to be retained until the 1961 contest.

FILING SLOWLY INTO PLACE, the Websters marched to a third-place tie.

Leaders of 1960 Eastonian Staff

In late October Mr. William K. Prewitt, sponsor, chose the three co-editors of the 1960 Eastonian: Sherrill Proctor, literary editor, with Marilyn Lewis as her assistant; Mickey Davis, engraving editor, with Bob Dwyer as his assistant; and Sally Domville, business editor, with Eileen Ross as her assistant were selected to lead in producing the book.

Frantically, the staff members sat at typewriters and desks writing copy and making various layouts to meet their deadlines. Days off for others were work days for the staff. Deep snow, holidays, and Saturdays kept the staff on their toes.

Hard Work Rewards Eastonian Staff

The staff started its year by sponsoring the Homecoming edition of the Echo. Also, much time was spent planning and working on decorations for the Valentine Mixer, the second event of the year. A contest was held with stunts and amusing antics presented by the orientees of Literary Societies. Records were tossed to the crowd by Ted Adkins of KUDL. The Eastonian Ball climaxed the extra activities and the staff really settled down to complete their book.

Aside from publishing the annual Eastonian, the staff has many activities. This year's staff was no exception. At long last, they placed in the hands of the students, their real pride and joy.

AT A DINNER IN THE SENATE HOUSE, Mr. Stanley Fike, Senator Symington's secretary, gave a talk about his school life at East.

ONE OF THE MOST INTERESTING TOURS included a visit to George Washington's home at Mt. Vernon overlooking the Potomac River.

READY TO LEAVE FOR PARTS UNKNOWN, these East and Center Journalism students and chaperones prepare for a 10-day trip to Washington, D. C., to attend the National Journalism Conference.

A STOP-OFF FOR A SWIM IN THE ATLANTIC OCEAN proved great fun for the journalism students.

On August 21 at 8:00 p.m., 18 East High students, along with eight Center High students and seven teacher-parent chaperones, departed from K. C. for a nine-day trip full of fun, excitement, and sore feet. By the time they reached home again, they had left their tracks in ten states of the United States and Canada. The most time spent anywhere was accumulated in Washington, D. C., where they attended the National Scholastic Press Association. This conference is set up to advise and give new ideas to students of journalism.

M.I.P.A. Provides Another Journalism Experience

The University of Missouri was again East's host for the Missouri Interscholastic Press Association conference held on November 20 and 21. Mingling among the crowd were 13 East Bears, from the news and publications staffs.

The purpose of this annual conference was to give students new ideas and advice on their school papers and yearbooks.

Another exciting and unusual week end was spent at the Daniel Boone Hotel, as East High students proceeded to take over just as always upon their arrival. The hours of sleep were short for many who roamed around throughout the hotel all night to the many campaign parties.

The sleepy-eyed students who stayed up most of the night had no time for sleep during the day. Classes and journalism contests kept their days full. Friday night's banquet proved to add much color to the activities. The students from East topped off their dress with large, fluffy mums.

The following morning, the officers for next year's M.I.P.A. convention were elected at breakfast in the Daniel Boone Hotel. Installation and the announcement of the contest winners followed later in the day, shortly before departure time. At 1:30 p.m. on Saturday afternoon, the 13 East High Bears departed for home.

POSING PRETTY FOR THE BIRDIE are the East representatives at the M.I.P.A. dinner.

"WHAT ARE WE WAITING FOR?" asked the 13 East Bears at Columbia.

Knowledge Gained

The 1960 Echo Staff, selected by Mr. William K. Prewitt, sponsor, was faced with the ever challenging thought of publishing the 16 issues of the bi-weekly school paper. At first, they were unaware of the difficult tasks that were required to put out a successful paper. Gradually, the tension began to lessen as they acquired the swing of writing and typing copy, laying out the pages, photography and soliciting for advertisements.

Aside from publishing the regular four-page issues, they put out three six-page issues and one issue without any assistance from Mr. Prewitt. The purpose of this was to give them experience in self-leadership and the ability to exercise their own initiative.

WRITING IS ALWAYS BORING as is shown by expressions on the faces of Scherry Hartman, Gayle Gregory, and Joan Reinmiller, reporters.

CLICK! CLICK! CLICK! goes the tap of the typewriters as Sarah Prine, Carol Brummet, and Carolyn Means peck away.

MR. PREWITT IS INTERVIEWED BY SONDR A KOUPE, Gayle Gregory, and Linda Kueck.

DISCUSSING BUS TICKET SALES WITH MR. PREWITT are Kathy Leach, Jean Winders, Carolyn Means, Lou Hendrix, and Carol Brummet.

Through Journalism

During football season, the staff competed with the Eastonian Staff members for the highest sales in season passes. Also, they worked with Mr. Felici in selling bus tickets to the basketball games and boosting school spirit.

A semi-annual duty of the Echo Staff is to select a new editor-in-chief each semester. The first semester editor is always a senior, as she has had experience and is able to pass on ideas to the new staff members.

Outside activities of this year's staff included a banquet at Warrensburg, where the Eastonian queen candidates were presented; the M.I.P.A. convention at Missouri University; and interviewing celebrities such as Pat Boone.

CHEERING "MR. TOUCHDOWN" TO VICTORY is the Freshman line.

"GOODNIGHT, MY SOMEONE" as sung by Carol Fisher.

Witches, Goblins, Dances, and Songs Were Carefully

EXOTIC AND UNUSUAL are these Oriental dancers.

A record-breaking crowd assembled as the doors were opened to Fast High School, filling the auditorium to its capacity on November 20 and 21, to gaze upon a colorful and spectacular show, the 1959 Outburst directed by Mr. Donovan M. Mabbott. The theme, "Pot Pourri," or the "Witches' Brew," was carried out by over 500 high school students.

The twenty-fourth annual talent show was centered around three unusual witches who stirred up a variety of acts in a huge black pot which took its place in the center of the stage throughout the entire production.

"A THREE RING CIRCUS" is the center of attraction as Yogi Bear, an Indian dancer, and the witches add action to the show.

"WHAT BIG FEET YOU HAVE!" says Don Pellow to the Abominable Snowman.

"BRUSHES READY?" The Senior line swings underway to the "Darktown Strutters' Ball."

Brewed by Three Weird Witches in "Pot Pourri"

During the first act of the show the Brooklyn witch, played by Judy Doughty, in order to show her powers to the others, produced from the giant cauldron a variety of talents. These acts were centered around "Americana." Highlighting the first act was Carol Fisher singing "Good Night, My Someone" accompanied by Carol Mabbott, the six-year-old daughter of Mr. Mabbott, on an electric piano. The junior line danced and sang to the tune of the "Old Soft Shoe." The first act of the show was ended as Sandy Lynn sang "There Were Bells."

THESE THREE BLIND MICE DANCE their time away to several jazzy routines.

MUSIC FILLED THE AUDITORIUM as the "Dixieland Band" played on.

TAP-IN-STEP while chained together are Margaret Rice and Jackie Gulick.

Outburst Ended Successfully

As the curtain opened on the second act, "Wide, Wide World," the Spanish witch, played by Sharon Smith, stood before the cauldron and cackled her magic words. To add comedy, Tim Noland and Don Pellow presented a pantomime, "The Abominable Snowman." The very colorful freshman line danced to the tune of the "Nickelodeon Tango," and the second act was ended by the A Cappella Choir's interpretation of "Calypso."

The Irish witch, Sharon Thompson, demonstrated her powers in the third act, "This Is a Circus." Yogi Bear, with his antics and humor, helped the witch tie the act together. This time the witches' brew produced Sharon Chartier singing "Picnic." Then, tapping their time while chained together were Margaret Rice and Jackie Gulick. To end the act the seventh hour gym class did a very unusual jazzy rendition of "Three Blind Mice."

During the fourth act, "Shades of School Variety Shows," the witches tried once more, and this time they worked together to cast a spell. With their combined powers their first number was "Temptation," sung by Stan Andrews. The sophomore line then cheered "Mr. Touchdown" to victory. The highlight of the fourth act was when the spotlight fell on the Dixieland Group playing "Battle Hymn of the Republic." As the crowd applauded with approval, the band broke into "When the Saints Go Marching In." The fourth act ended with the senior line's version of the "Darktown Strutters' Ball." The grand finale included a Fire Dance performed by the Modern Dance Club.

The fire around the huge, black cauldron began to die and with it the 1959 Outburst closed.

AN UNUSUAL ACROBAT NUMBER and the traditional Spanish dance displayed Carol Meyer and Scherry Hartman's various talents.

GIVING LAST MINUTE INSTRUCTION, Mr. Mabbatt talked to the cast and stage crew during dress rehearsal.

—TO THE WEST INDIES, as the East A Cappella Choir sang "Calypso," one of the many numbers presented by the group.

REHEARSING FOR A SPECIAL NUMBER, the eighth grade chorus works hard with Mr. Mabbott.

ALL TOGETHER NOW; ONE, TWO, THREE. Mr. Mabbott leads the eighth grade chorus as they sing in assembly.

Harmonizing Is the Key

The Sub-Freshman Chorus, the first step up in East's vocal music world, consists of people who show either through training or natural ability an unusual aptitude in music during the one semester of music they take during their eighth grade year.

After the sub-freshman students complete their semester of music and if they wish to continue in their music training, they may start in as members of the Freshman Chorus of advanced freshmen.

The Freshman Chorus and the Freshman Girls' Chorus are the primary performing groups in the ninth grade level. The girls alone participate in the All-City High School Festival, while both groups take a very active part in the All-City Junior High School Festival.

Not all their activities are city-wide. The Outburst, the Christmas program, and the Easter assembly find these freshmen working hard to have a first-class performance. In order to present these best performances, the students spend many extra hours rehearsing.

Many of the members of the A Cappella Choir, Mixed Chorus, Chordettes, and Chordmen are chosen from this group.

The sub-freshmen, the Freshmen, and the Freshman Girls' Chorus, under the direction of Mr. Donovan Mabbott, have again completed a year of fine and enjoyable music.

Choral Groups Work Diligently

Eight years ago the Chordettes and Chordmen were organized at East High School to sing at clubs, organizations, and churches.

Each year the members of the Chordettes and Chordmen participated in the Outburst with at least one number. This year they sang "Wanting You."

During the day, they have rehearsals at their study-lunch periods. At these practices they go over their respective parts.

Those in the Chordettes and Chordmen who have the time and are willing to work went with the soloists from the Choir, Mixed Chorus and Girls' Choir to Westport High School to attend the city competition. From there they go to the district and if they place high there, too, they go on to Columbia for state competition.

April 26, the Chordettes and Chordmen were invited to sing at the Radio-Television Council of Greater Kansas City's monthly dinner. Their "Message in Song" was enjoyed by both the Radio and TV representatives and the P.T.A. chairmen.

This year their costumes were styled in green and black. The Chordettes wore black sheaths with green shortie jackets. The Chordmen wore black slacks with green sport jackets.

The Girls' Choir sang at the All-City Girls' Festival and also at the Baccalaureate Service and Commencement.

The Girls' Choir was very active this year as they performed in many programs. At the first of the year they sang "When Day Is Done" in the Outburst. The annual Christmas program was their next activity of the year. "Russian Picnic" and "God So Loved the World" were two of the numbers presented in the Music Festival. While these songs were being sung on stage, the mothers of the girls were preparing the bake sale out in the hall. The profits were to be spent on new choir robes.

Mixed Chorus Prepares for '60-'61 Choir

The Mixed Chorus this year started off working toward their part in the Outburst. They not only sang in just their group, but some also joined in with the A Cappella Choir in several numbers.

These persons from the Mixed Chorus who sang at the city eliminations were Janice Rail, Jane

Crosby, Pat Wade, Benny Sandidge, Dan Mitchell and Don Fitzpatrick. Benny Sandidge represented East in the state contest at Columbia.

The end of the year saw many of the Mixed Chorus members, who had spent much time working on their singing parts, advancing toward Choir.

East A Cappella Choir

This year for the A Cappella Choir was a busy one. At the beginning of the year Mrs. La Fayette started solo work by teaching light numbers; then at Christmas time religious numbers, and from there they progressed to art songs.

Working toward the new choir robes, which they hope to purchase next year, kept everyone hopping. They planned and worked on the selling of fudge and on the bake sale held after a program presented by the vocal music department.

Each year the A Cappella Choir looks forward to singing in the All-City Choir Festival. This year was no exception. They sang two numbers on the stage and two mass numbers with the other schools who also participated on the program.

This year the A Cappella Choir sang several numbers in the annual Outburst. Before each of these events in which the choir participates, there are the early morning practices, section rehearsals, section practices at the study-lunch periods, and, of course, the classtime rehearsals.

This year at the state contest, Mary Hutson, Brian Miller, and Sharon Chartier represented East High School. Also representing East was the girls' double trio in which Jane Crosby, Julia Jones, Sherrill Hamm, Karen Bingham, Sharon Chartier, and Rita Roseberry sang. These girls came from the A Cappella Choir, the Mixed Chorus, and the Girls' Choir.

THE EAST A CAPPELLA CHOIR SINGS in perfect harmony and unison under the capable direction of Mrs. Irene Lafayette.

Sings in Harmony

Each year as the A Cappella Choir nears the close of its work and play for the year, a picnic is held late in May, where the members invite the members of the sophomore A Cappella Choir to join them.

The final and most joyful time of the year is when the A Cappella Choir sings in the Baccalaureate Service and at the senior Commencement exercises in June.

Music Fills the Air as

Work came early in the fall as the members of this year's orchestra co-operated with the band in preparing the musical portion of the Outburst. Without this technical assistance, the dancers, acrobats, and the very theme of the show would have lost its desired accent.

A special assembly with music from Broadway shows, as well as classical selections, was another joint effort of the band and orchestra.

Again this year, the orchestra members participated in the All-City Orchestra Festival held at Southeast High School.

Several students in the class were members of the All-City Orchestra. This group played on KMBC television during the noon hour on April 18, and in assemblies at schools throughout the city.

In the middle of May, East's orchestra was invited to play at the National Red Cross meeting held at the Municipal Auditorium.

the Orchestra Performs

Members of the group represented East at the state music contest. Trying out first at school, then district, followed by regionals took time and hard work from the representatives.

The highlight of the year was the Music in Review production. Coming at the last of May, the knowledge gained throughout the entire year was shown in the musical stage show to the fullest extent.

With the influx of new students and the advancement of students from beginning classes, the orchestra grows and develops to maturity each year. Mr. Marion Sell, director, has a bright outlook for the group next year. He expects to have approximately 70 students under his direction.

As the school year closed, the orchestra provided "Pomp and Circumstance" for the National Honor Society assembly, Baccalaureate, and finally at Commencement exercises in June.

“And the Band Played On”

THE CAREFUL PRACTICE makes the perfect performance.

The Band was kept very busy during this past year with its many activities. First the band played at the Homecoming game and soon after they participated in the annual American Royal Parade held in the downtown area. Then came the Outburst, one of the big events of the year; in this, also, the Band took an active part. These many activities kept them busy during the first semester.

During the second semester, they participated in many other activities, one of which was the All-City Band Festival held at Northeast High School in March.

There were many early morning rehearsals which prepared them for the Music in Review, held May 20th in the East High Auditorium.

Band night held at the Municipal Stadium brought the Band's busy year to a close.

The R.O.T.C. field inspection held in May was one of the final activities in which the Band participated.

FOR THE ENJOYMENT OF THE PUBLIC AND SELF-SATISFACTION, the B-Band prepares many new numbers and works as a single unit to provide pleasant and harmonious music.

A Harmonious Future Is Their Goal

The basic step in becoming a member of the East High School Band is the Beginner Band. Each student must spend some time in the beginner's group before he can meet the necessary requirements, as set by the director of the group, Marion W. Sell.

The Beginners' Band is mostly composed of new students at East who have just completed their final year in grade school. They are trained in the classes to meet the standards of good musicians. Mr. Sell has been known to produce many fine musicians as a result of organizing this preliminary course. He has always followed a certain path in starting these beginners.

At the first of the year, the band develops a sufficient amount of skill in the basic scales of music. Soon, they move into the simple marches and finally reach the stage of more difficult pieces. They are constantly practicing in order that they might obtain the one goal of the young musician: membership in the East High School Band.

CONCENTRATION AND PERSISTENCE FORMULATE the background of the successful B-Band, as it develops a new arrangement.

Winter Play

"Cry Havoc"

"Cry Havoc," an unusual and dramatic war situation play, was presented on Friday, January 15, in the school auditorium to the largest audience ever to attend a play at East High School.

Authenticity was the word for the winter play. The 13 voluntary nurses who spent their time in the dugout wore combat boots and army fatigues. They also had old army cots for beds. Before the cast could stage their production, there was much behind-the-scenes work to be done. There were flats to be put in place, props to be obtained and marked, tickets to be printed, programs to be designed, sound and lighting effects to be perfected, bunks to be set up, and many other important things to be done before the play could go on.

The Masqueraders, in order to make the play a success, spent many extra hours rehearsing. There were also many who helped make the play a success who were not seen on stage. They donated time, ideas, and props that might have otherwise been unobtainable. One of these was the baby used in the third scene, who also added a very realistic effect to the play.

The first of the two annual plays presented by the Masqueraders and directed by Mrs. Etta Marie Carlisle was truly a success for the 1960 drama class.

Spring Play

"Harvey"

"Harvey," a delightful and unusual three-act comedy about a mildly but permanently liquored screwball and his unusual companion, a huge, white, invisible rabbit, was presented on Friday, March 11, in the school auditorium by the Masqueraders, under the direction of Mrs. Etta Marie Carlisle.

Elwood P. Dowd and his invisible bosom pal, Harvey, the Pooka, caused his family and the staff at Chumley's Rest, a nearby sanitarium, many confused and hurried moments. The confusion stemmed around the question of who was to be committed to the sanitarium and who was to do the committing. Not only was there confusion about the commitment of Elwood, but also about Harvey. It seems that Veta Louise Simmons, Elwood's sister, and Dr. Chumley, an eminent psychologist and head of Chumley's Rest, also saw Harvey at times, but were afraid to tell anyone for fear of being committed as crazy people themselves.

The Masqueraders also had Harvey with them. It seems that the doors of room 216, the Little Theatre, were subject to mysterious openings and closings, which some of the class insisted were due to the entrances and exits of Harvey.

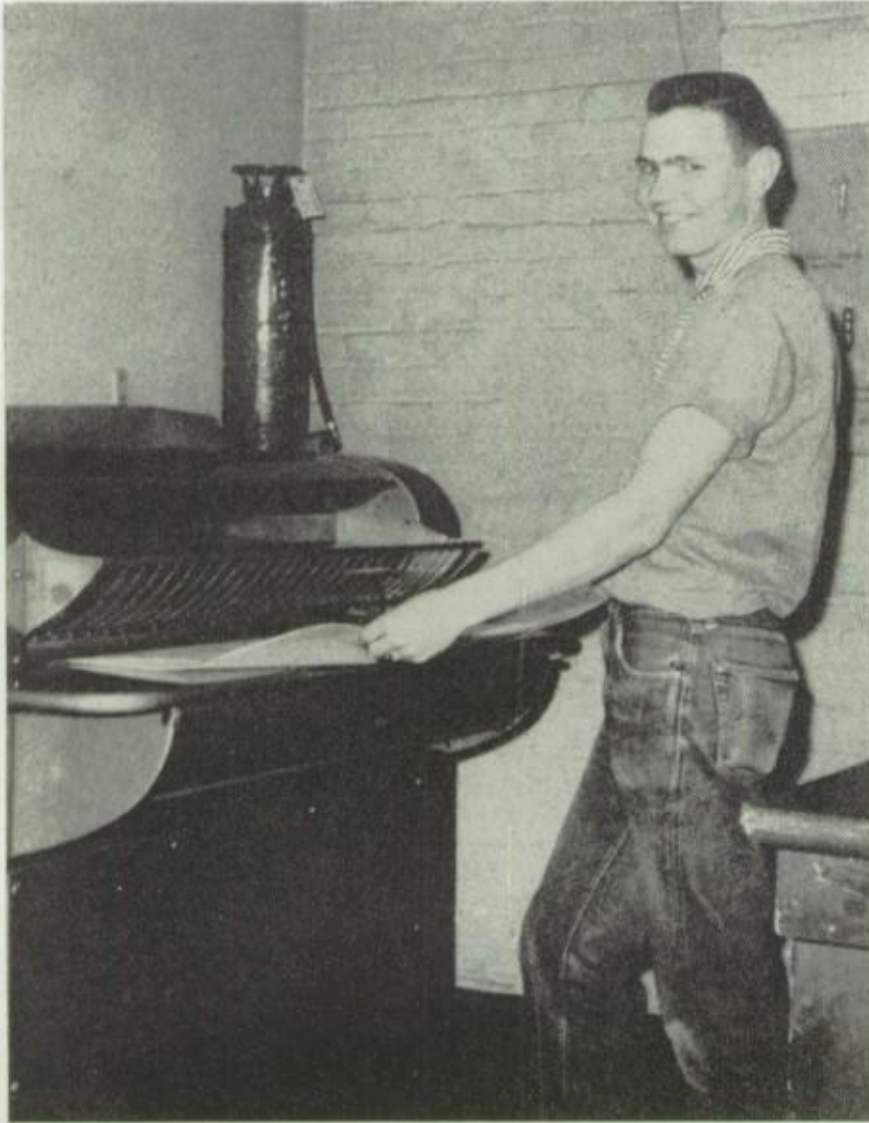

THREATENING ELWOOD P. DOWD (GERALD RAPP) as to the whereabouts of Dr. Chumley is Dwane Wilson (Lowell Fisher) as Nurse Kelly (Mary Tomlin) looks on.

AFTER A MISHAP AT THE SANITARIUM, Myrtle Mae (Sherrill Proctor) tries to calm her mother.

"AND WHAT'S WRONG WITH HARVEY?" screams Mrs. Simmons (Tracy Tull) to her family lawyer, Judge Gaffney (John Stevenson), as the staff at Chumley's Rest discusses the problem of Harvey, the invisible bosom pal of Elwood P. Dowd (Gerald Rapp).

Bears' Den Holds Various Activities

Despite the chronic lack of support, Bears' Den held several special dances this year. The big event of the year was the annual Snowball Dance. Barbara Snowden, queen of '59, crowned the new queen, Deanna Chiddix, and gave her the throne. Some of the other dances of the year included a hobo dance, a Sadie Hawkins night where the girls brought the boys for a change. Live music was often produced by various dance bands.

THE COMMITTEE PLANS DECORATIONS for each of their dances. Here, a group is working on some of them.

This year's teen town committee was headed by Kenny Williams, president; Kathy Leach, vice-president; Mike Houtchens and Carol Brummet, mascots; and Gayle Gregory, reporter.

Although the dances were not as successful as in past years, the committee will continue to boost school spirit among the underclassmen. It has always been available to us at our own advantage. It is up to the Bears to carry it out.

Spark Provided By Curtis

The leader whose guidance has made the R.O.T.C. cadets a well-trained battalion this year is M/Sgt. Byrd E. Curtis. This year he will be completing his second year at East. Besides having the responsibilities of training the Rifle Team and giving instructions in drill and in classes, he also helps the battalion to maintain other purposes of R.O.T.C., which are: character building, respect for the law, and physical training.

Before coming to East, he was stationed in Germany in the 10th Infantry. After spending one year as an Alpine climber in Colorado, he then was transferred to the 45th Infantry in Europe. Returning from Europe, he went to California where he enlisted as a M/Sgt. and was an instructor in the R.O.T.C. in California for five years.

For the next two years he spent his time traveling from Germany to the United States, back to Germany, and then to Kansas City to teach here at East as the R.O.T.C. instructor.

Sgt. Curtis is also active in the Boy Scouts, where he is an assistant scoutmaster. Other activities of the Sergeant are vice president of the Chouteau District, Counselor of Scout subjects, and a mem-

ber of the American Legion, post 151. This post gives money to support the East High R.O.T.C.

M/Sgt. and Mrs. Byrd Curtis have three children, two of whom attend Northeast Junior and one who attends Scarritt. Mrs. Curtis was an army nurse in Colorado when she met Sgt. Curtis. The Curtis family attends the Northeast Presbyterian Church, where Sgt. Curtis is a deacon.

MIXING BUSINESS WITH PLEASURE seems to be the Sergeant's way of leading a happy and healthy life.

RECEIVING CHICAGO TRIBUNE AWARD makes Leonard Norland and Richard Dwyer smile proudly as Mr. Williams awards the medals.

Cadets of East's battalion took part in various activities this year. They participated joyously in the R.O.T.C. Ball and Sound-Off Drill but shivered through a day of Federal Inspection.

This year the R.O.T.C. Ball was held at the B'nai Jehudah Temple, where Nancy Hubler was presented along with other reigning queens from the 10 different Kansas City high schools. After having been crowned and having received her present and bouquet of roses from Mr. Dickson, Queen Nancy reigned as East High School's Queen for the remainder of the dance.

Activities Mean Fun for Cadets

The main activities for this past year were the R.O.T.C. Circus, Field Day, and Veterans' Day Parade. April 26 was the day for the 35th R.O.T.C. Circus which was held in the Municipal Auditorium. East participated in the Army Fire and Drill Exhibitions, while Nancy Hubler, as East's R.O.T.C. Queen, was presented. During Field Day and the Veterans' Day Parade the battalion exhibited their marching technique.

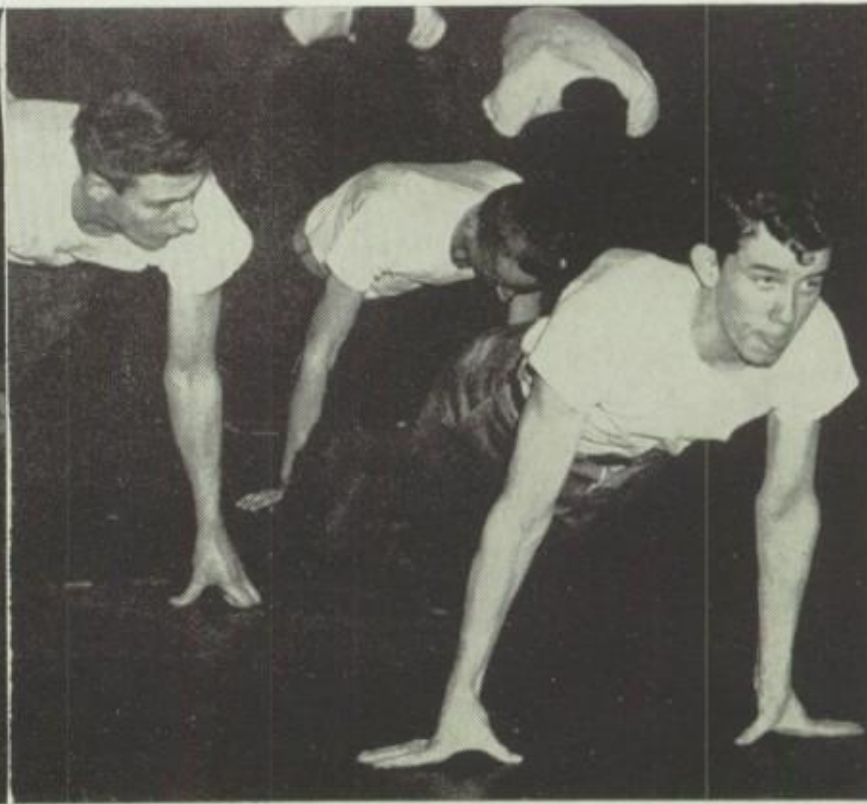

Obtaining medals is one of the goals of the R.O.T.C. cadets. The two most important medals are the Chicago Tribune Award and the Superior Cadet Medal. This year the two boys who were awarded the Chicago Tribune Award were Richard Dwyer and Leonard Norland. These two boys were chosen for this honor because of their outstanding ability in the R.O.T.C.

The Superior Cadet Medal was awarded to the three outstanding boys of the three different grades. This year they are Gordon Curtner, MT III, Senior; Raymond Mangels, MT II, Junior, and Bobby O'Halloran, MT I, Sophomore.

Another honor given to the R.O.T.C. goes to the Rifle Team. Each boy on the Rifle Team received the letter "E" from the school for his shooting ability. The boys getting the letters this year are: Larry Delmont, captain; Gary Reigel, Brent Leeds, Brad Filsinger, Donald Fitzpatrick, and Gordon Curtner, alternate.

Hard Work and Practice Result in Skilled Riflemen

The East Rifle Team, coached by M/Sgt. Curtis, put in many hours of hard work and practice this year. By working as an orderly team, East's Rifle Team was able to take fifth place in the city. The captain and leader of the team was Major Larry Delmont.

Sgt. Brent Leeds was the high-score man on the team for East this year. With a score of 881, he placed fifth on the all-city team.

Staff Officers Supervise Work of Battalion

The two top leaders of the battalion staff this year are Lieutenant Colonel Don Stone and Major Larry Delmont. Lieutenant Colonel Stone is the highest ranking cadet at East. He is also on the all-city Corps Staff. Major Larry Delmont, Battalion Commander, is kept busy with calling commands and supervising the work of others.

Major Gary Reigel is the Battalion Executive Officer. He is in command of the Honor Guard, Drill, and Firing Squads. The next two ranking officers are Lieutenant Ray Mangels and Lieutenant John Cherne; both are assistants to the Battalion Commander. Lieutenant Mangels is busy with promotions, deductions, and duties, while Lieutenant Cherne is keeping the grades.

The planning and Training Officer this year is Lieutenant Gordon Curtner. Besides planning the weekly schedule he also sets up the system of instructions and supervises them. Lieutenant Bruce Curren, the Supply Officer, is in charge of supplies, while Lieutenant James Angotti is the Public Information Officer.

Officers of the Battalion Staff are chosen by Sgt. Curtis, after the cadets have taken a series of examinations and competed in physical activities. After being chosen, the officers help Sgt. Curtis in keeping the battalion an orderly unit.

Bears Record Near Perfect

The 1959-60 football season proved very profitable for the fighting Bears of East as they compiled a very fine 8-1 record and completed the season in undisputed second place. The Bears' only loss came at the hands of Westport to the tune of 14-10. The Bruins started the season by bouncing the Paseo Pirates, 33-6. This opened a five-game winning streak that saw them defeat Central, Van Horn, Lincoln, and Southeast. The Bears bounced back after their lone loss to grab the remaining three games from Southwest, Manual, and Northeast. This gave the team their best won-lost record in the history of the school.

Lowell Fisher, Senior, Interscholastic League and District All-Star.

Three Bears Gain

The Bears this year, because of their fine showing and sparkling performances by several individuals, landed three positions on the mythical interscholastic league All-Star team. Albert Miller, senior quarterback, landed a spot as a result of his fine pinpoint passing, exceptional running, and timely end sweeps.

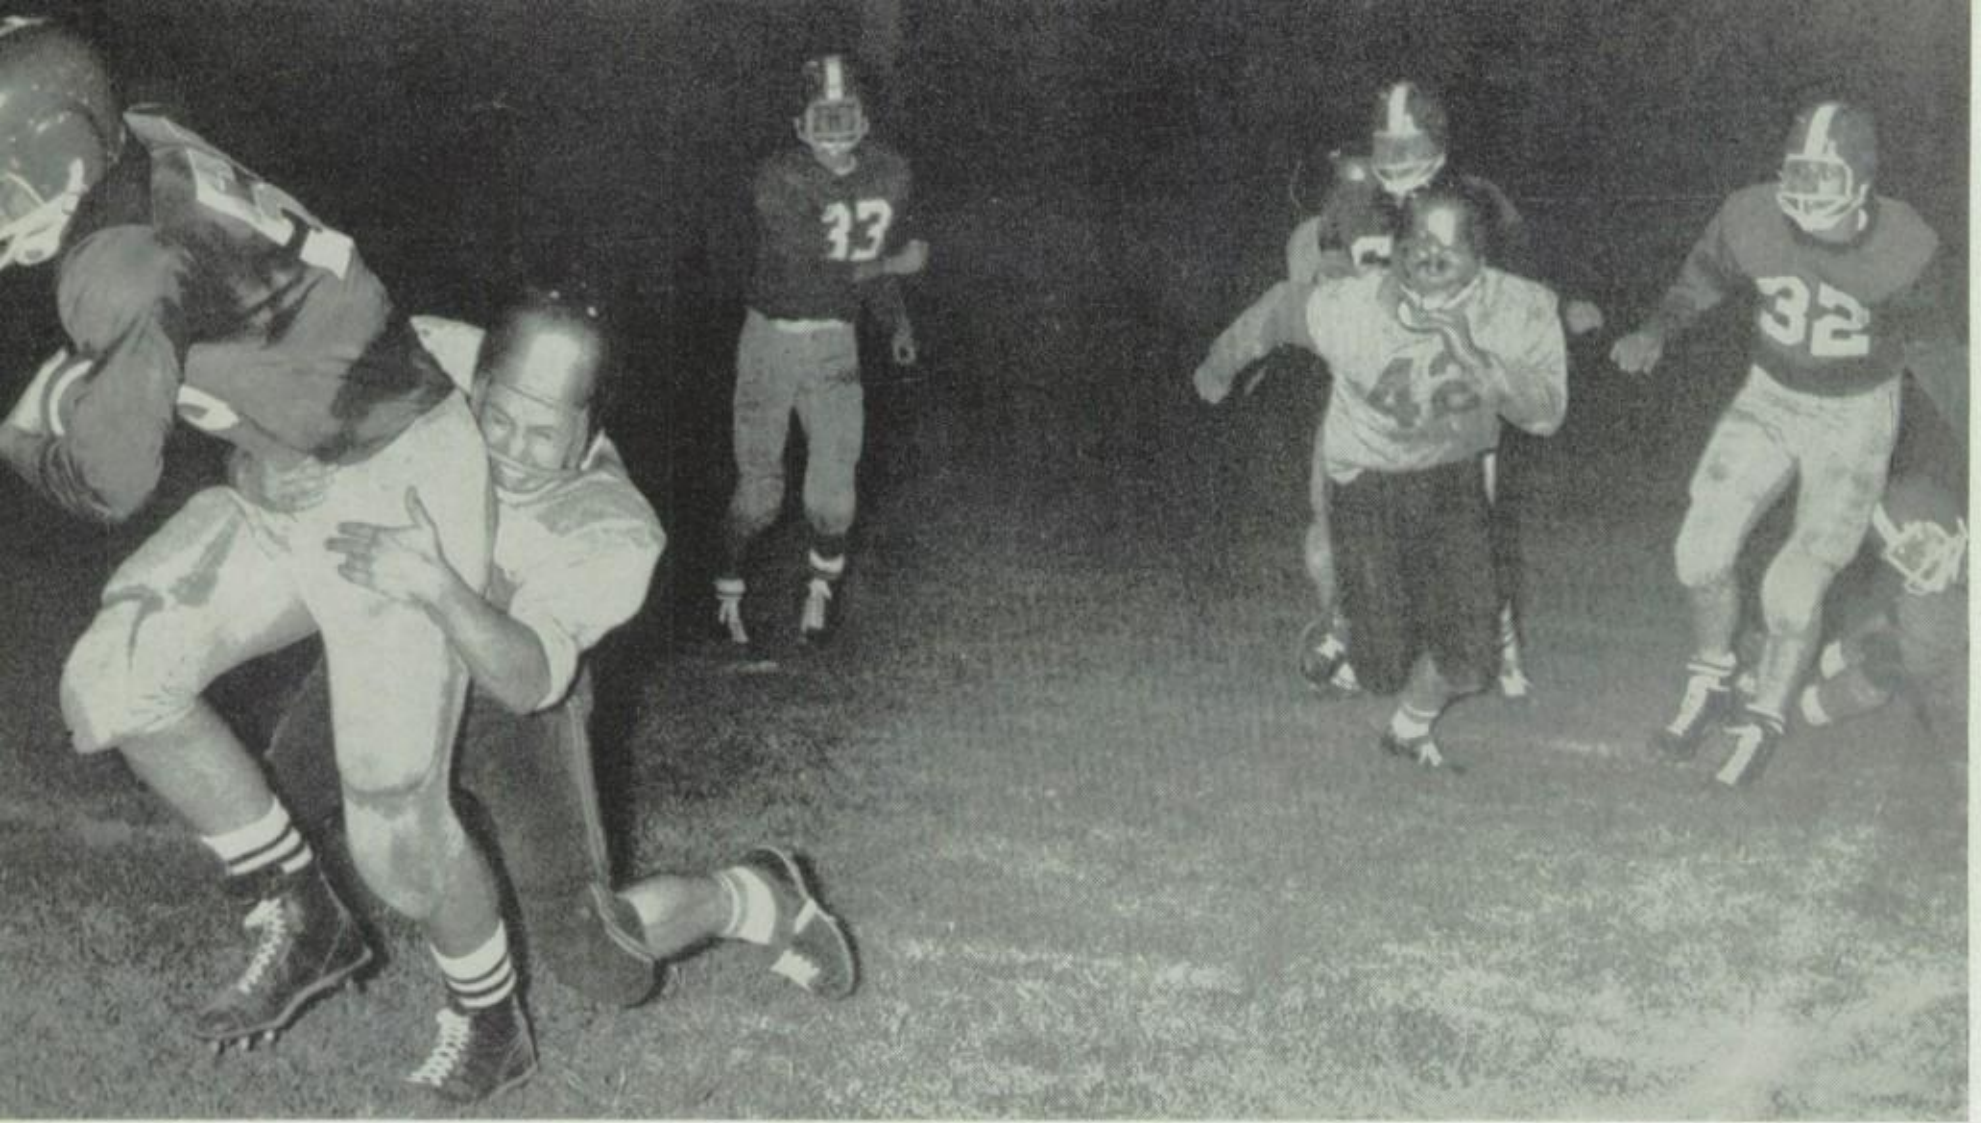

Ray Eagan, senior guard, with his rugged and brutal line play and his solid, bone-jarring tackles, was a key factor in the success of this year's team. He quickly became the stalwart of the Bears' defense at middle guard. Also, he was named co-captain with Albert Miller. East's third representative and also the largest member of the team was the Bruins' 220-pound tackle, Lowell Fisher.

This rather large little Bear was both a defensive and offensive standout. On defense he was the signal caller and constantly cut down the opponents' would-be yard gainers. Lowell was further honored by being named to the All-District team.

Bears Slash Pirates

The unveiling of the East Bears for the '59-'60 football season proved disastrous for the Paseo Pirates on Friday, September 11, as the Bears powered their way to the smashing 33-6 victory. The teams both started slowly, and it was the second quarter before either team scored. Albert Miller, East signal caller, shot over for the first Bear tally, and Womack crashed over for the extra point to make the score 7-0 in favor of East. A 33-yard sprint by Dick Potts and a 45-yard drive capped by Womack's plunge with a pass to Larry Myers, end, for the point pushed the Bear lead to a 20-0 as the first half ended.

Shortly after the start of the second stanza, Albert Miller picked off a Pirate aerial, and seconds later Womack skipped 16 yards to ring up a 26-0 lead. Another of Miller's pinpoint passes to Larry Myers and Potts' extra point smash closed out the Bear scoring with the Bears leading, 33-0. The Pirates finally came to life late in the fourth quarter on a long pass for their lone tally. As the gun sounded, the Bruins were again knocking on the Pirates' door.

"WHY'S EVERYBODY ALWAYS PICKIN' ON ME?" Bob Scott, East fullback, finds the going rather difficult as he attempts to power his way up the middle in the Bears' 20-0 romp over Central.

East Eases By Eagles

The fine play of the East defense, which limited Central to a ground total of 38 yards rushing, proved too much for the Eagles to overcome. This victory gave the Bears their second win in a row. The Eagles never got closer to a touchdown than the Bears' 35-yard line.

East cashed in on a fumbled punt for the first six points with Bob Scott driving over for the score. This settled the scoring for the next two quarters as the Bears and Eagles scrambled back and forth in the middle of the field. Finally, in the fourth quarter, the game broke open with Grizzlies, stirred up by the fine defensive effort of the entire club, breaking loose for two quick-scoring thrusts. The first came on an 11-yard pass to Dick Potts in the end zone. Womack barged home for the extra point. The scoreboard showed East 13-Central 0. This lead still didn't satisfy the Bears as they quickly regained possession and under the guidance of Albert Miller scored the clincher with Miller rolling out around the end, picking up fine blocking and coasting into the end zone. Scott scored and plunged for the point after touchdown, and the scoring was finished for the evening with East 20-Central 0.

Falcons Fall to Bears

On the muddy marsh better known as Nowlin field, the East Bears, on Friday, September 25, slipped and splashed their way to a 45-7 cleaning of Van Horn. The Bears poured it on the hapless Falcons and rumbled to a 25-0 half-time lead in spite of the fact that offensively they netted only 84 yards. The first four Bear tallies were scored as the result of the alert Bear defense. Late in the first quarter, Dick Potts intercepted a Van Horn aerial and sailed over for the initial T.D. Quickly a blocked punt and another intercepted pass by Womack gave the Bears 12 more points. The second half was the same story, only this time the Bears managed to couple with their alert defense a solid offense. A recovered fumble on the Van Horn 41 led to the first T.D. with the drive being capped by a 16-yard pass from Miller to Myers. The Falcons finally got their sputtering offense going and scored their only T.D. on a 68-yard pass. The Bears then came back in the fourth quarter to score two more on a 17-yard flip to Jerry Owens and a 33-yard pass to Potts to salt it away for good. The slippery turf and large puddles of water provided some humorous side effects, as players from both sides slipped and splashed about in the course of the game.

"HEY, WAIT FOR US!" Bob Scott moves ahead fighting off the Falcon defender as he grabs valuable yardage to the dismay of the Van Horn defenders looking on.

East Erases Lincoln

The East powerhouse moved into high gear, quickly scoring 21 points in the first quarter on the way to a crushing 34-0 victory over Lincoln on October 9 on the Lincoln gridiron.

The Bears, spurred by Jerry Womack's two quick touchdowns in the first 8 minutes, completely dominated the game and held the hapless Tigers to a slim 48 yards. Womack, who really sparked on offense, chopped up the Tiger defense for a total of 148 yards on 18 carries, while the entire Bear offense was amassing a total offense of 364 yards. The Bears' third T.D. came when Albert Miller picked off a Lincoln aerial and scampered 30 yards to register a 21-0 score in favor of East. With the extra points being scored by Womack, Miller, and Potts respectively, Jerry Owens broke loose in the second quarter for the first East tally with Townsend slipping in for the extra point. The only other score came in the third quarter when Larry Myers grabbed a Miller aerial, good for 11 yards and 6 points, to close out the scoring with East 34-Lincoln 0.

"HEY, JERRY, WHAT ABOUT THIS ONE!" would seem to be Albert Miller's words as he moves ahead quickly behind the blocking of Jerry Owens.

"COME ON, LARRY, GET UP AND RUN!" Larry Myers watches a pass from Albert Miller pass him just out of reach.

"WAIT A MINUTE, BUDDY!" says Ronnie Johnson as he prepares to apply the brakes to a Southeast back.

Victory Over Southeast

Southeast's powerful Knights, proud and unscathed in 13 straight Interscholastic league outings, provided the Bears with their first real test. On Friday, October 12, they invaded Nowlin field only to find an enraged team of championship-hungry Bears prepared to slash their unbeaten record piece by piece.

Early in the game the Knights zipped into a 7-0 lead on a recovered East fumble. Quickly, in the second quarter, the title-hungry Bears, by way of a blocked punt which was recovered in the end zone by Ronnie Johnson, cut the margin to 7-6. Then came the play that caused the 4,000 East rooters to go wild. Southeast, back to punt on their own 29, booted the ball to the East 39 where it rolled dead. Officials ruled that the ball had touched Albert Miller. The Knights jumped on it and quickly pushed their lead to 14-6, and it looked as though the Bears were out of luck again. However, our alert defensive play on a fumble enabled the Bears to recover the loose ball on the Southeast 40. Miller opened the air-planes with a 38-yard pass, and minutes later he banged home from the 1.

The second half was all East, but it took a tremendous 78-yard drive late in the fourth quarter to cap it and give the Bears a hard-earned 18-14 victory.

Homecoming Brings Parade, Queen, and Victory

The sixth annual homecoming was held with East playing Southeast. During the half time, there was a parade which was led by the East High R.O.T.C. Honor Guard and five convertibles carrying the homecoming queen candidates: Linda Wilson, Lana Hart, Deanna Chiddix, Julia Hoover, and Nancy Hubler. Following the queen candidates was the East High Band with the five literary societies, each carrying before them a fifteen-foot banner.

The band also did various formations, beginning with a salute to Southeast and ending with a salute to East.

The five queen candidates were then escorted to the middle of the football field by Stan Andrews, Wally Laws, Larry Anderson, Ronnie Gulick and Jim Roark. Judy McCluhan, 1958 Homecoming Queen, was escorted by Mr. L. Clayton Dickson. Then Judy crowned Linda Wilson 1959 Homecoming Queen.

The Bears put more joy and excitement into homecoming by defeating Southeast 18-14. After the game there was a dance held in the boys' gym where Linda reigned as queen.

"OH, NO!" Albert Miller picks up much-needed yardage on a roll-out against the Tigers of Westport.

Title Chances Wrecked

The championship hopes of the powerful and defensive-minded Bears, their record unmarred in 5 straight outings, met the Tigers of Westport on Thursday, October 22. Both teams lived up to all the expectations of their wildly cheering followers but defensive efforts of both teams failed to produce any score as the first half ended. Each team traded blow for blow, tackle for tackle, and run for run with the second half producing the first tally. Jerry Owens raced 62 yards to the Westport 5, where Dick Potts scored with Scott sneaking in for the extra point to give the Bears a 7-0 lead. The Bears then regained possession and drove to the 32, where a field goal by Miller gave the Bears a 10-0 lead as the third quarter ended. Shortly after the start of the fourth quarter, the Tigers scored on a 23-yard pass. The extra point was good, and the score stood 10-7 in favor of East. Then, with time running out, the clock quit working and the stands went wild! Time seemed to creep as the Tigers began to move. The Bear defense girded for the fight, but Bear fans began to lose hope as the Tigers drove nearer and nearer. Suddenly, when it seemed that all was lost, an alert Bear defense intercepted a pass. The stands went wild, but their shouts of glee soon turned to howls of anger as a penalty was called. The ball went back to Westport. The defense again stiffened and managed to hold the Tigers three times inside the 7, but on the fourth down with time running out, the Tigers finally edged over to pay dirt.

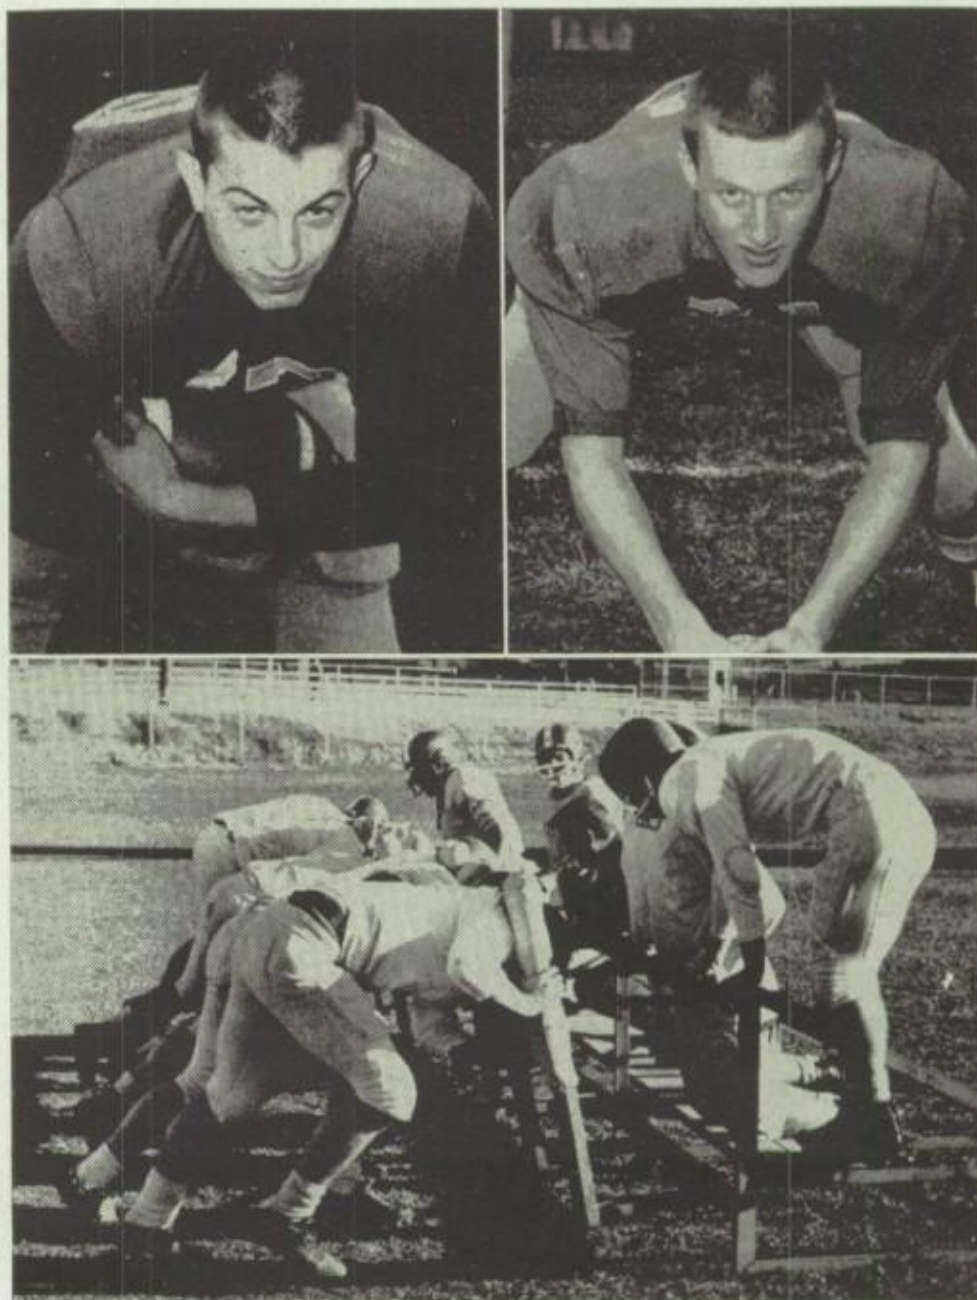

"COME ON, GANG, I'VE GOT HIM!" Jerry Womack grabs one foot to slow the Tiger down while Bob Scott and Jerry Owens move in to assist.

East Chills Indians

The resurging East Bears, the cold wind and snow combined, chilled the Indians of Southwest with a 13-6 win in below freezing temperature.

The solid and powerful East defense completely stalled the Southwest offense and limited them to a combined rushing and passing total of 100 yards. The Bears also racked up a total of 261 yards with Albert Miller, East's senior quarterback, picking up 127 yards on the ground and 20 yards by way of the airways. He also captured seven of East's 13 points. The first score was delayed until the second quarter when a 70-yard drive and Bob Scott's one-yard plunge produced East's first touchdown. Minutes later, Womack intercepted an Indian pass and scampered to the Southwest 18. From there Miller scored on a roll-out and also slipped over for the extra point. This closed out East's scoring for the evening as the only other score came after Southwest blocked an East point and recovered on East's 20. A pass into the end zone produced the only touchdown for the Indians and the extra point was no good, so the final score stood East 13-Southwest 6.

Bears Romp Manual

Nowlin Field was the scene of a mass migration as East revived quickly after its loss the preceding week to score a smashing 67-0 victory over the hapless Redbirds of Manual. The game started fast and never slowed down, even with the second and third strings getting to play. The scoring column ended with 14 Bears being registered there. Leading the parade with 12 points was Dick Potts. Several linemen also scored near the end of the game, as the players who generally formed East's forward wall played halfback and fullback, while the halfbacks and fullbacks played tackles and guards. The Manual offense was completely helpless as they were limited to a total of 31 yards rushing and 19 yards through the air. In the meantime, the Bear offense grounded out a total of 277 yards on the ground. Manual never crossed into Bear territory under their own power, but they did recover an East fumble and drove to the East 28 before they ran out of gas. The Grizzlies scored their T.D.'s in almost every conceivable manner, including the interception of a Redbird pass in the end zone by an East lineman. The game was a good one for the fan who likes the high scoring game, and it also saw the Bears kick their first point after a T.D. in several seasons.

Bears Bump Northeast

East closed the season by uprooting Northeast on Friday, November 13, by the score of 13-7. The Friday 13th jinx evidently was not present on the cold, wind-blown field as the two teams battled on the frozen turf with several fumbles by both teams. The scoring started quickly for Northeast, as minutes after the kick-off Northeast went from their own 32 to the Bruins' 6. Three plays later, Narr, the Viking signal caller, broke through from the 3 to score their first and last touchdown of the evening. The conversion attempt was good, and the score stood 7-0 in favor of Northeast. This score began to look bigger and bigger to the Bear fans, but a third-quarter fumble recovered by East on the Northeast 17 paved the way for the second touchdown of the night, as the Bears' fullback Jerry Womack drove into the end zone for the touchdown. Miller ran the conversion, and the score was tied 7-7.

The Bears iced the game on another fumble in the fourth quarter, as Miller scored the winning touchdown from the 2. The extra point try failed, and the score ended East 13-Northeast 7.

CORKY JOHNSON GAINS YARDAGE as the cub line clears the way.

Douglas Roether

Cubs Win 4, Lose 3

The East Cubs under the direction of Coach Douglas Roether, a new addition to the coaching staff at East, posted a 4-3 won-lost record for the season. The cubs were impressive as they possessed good speed and a solid line. These things, along with the instruction of Coach Roether, enabled them to post shutout victories over Central, Van Horn, and Southwest. The Cubs also claimed a 19-12 victory over Paseo to complete the list of victories. The three Cub losses came from Southeast, Westport, and Lincoln as the junior varsity was unable to find the scoring combination in any of their three losses. Generally the Cubs displayed speedy and powerful offense and the rough and tumble defense which is always associated with any team representing our school.

East in Three-Way Tie for League Crown

The East courtmen for the '59-'60 basketball season finished the season with a 50 per cent average as they won 11 games and lost 11 games during the season. Although the Bears' record was certainly not the greatest, it was one the basketball club could be proud of. In league competition, the Bruins won 6 games and lost 3 games to enable them to take first place for the first time in five years. The championship Bears, however, were forced to share the honors as the season ended in a three-way deadlock with the top teams being East, Lincoln, and Northeast.

Coach Gene Sebastian

The Bears' record was spoiled due to their eight losses in non-league competition. The Bruins were able to win when it counted most and by so doing earned a loyal band of followers as the spirit at East reached its highest peak in several years.

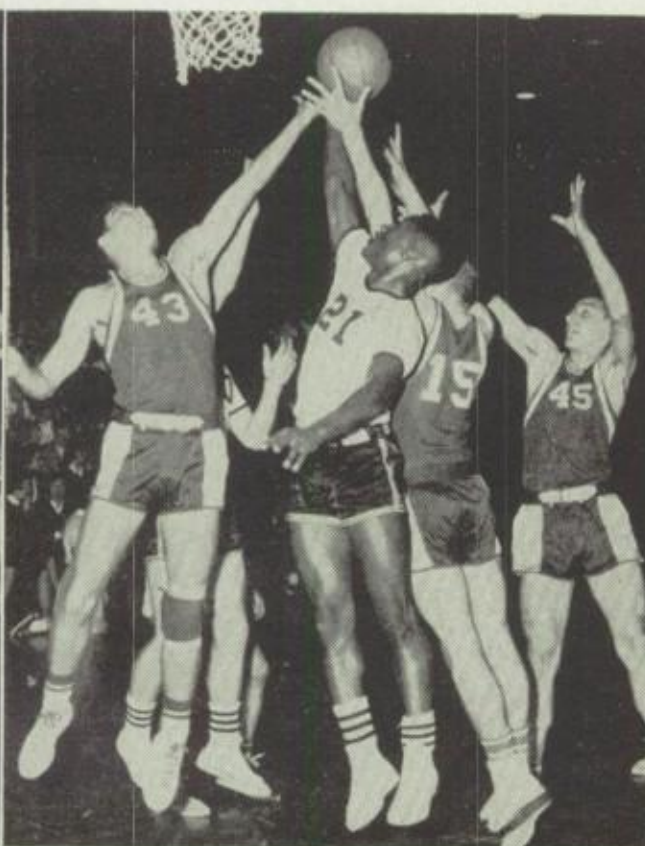

The outstanding performance of the Bears this season was made by Albert Miller, the leading scorer. Albert broke the individual scoring record with a total of 41 points in a single game. Albert was the lone Bear elected to the all-star team.

Leading the 1960 Championship team this year was Coach Gene Sebastian. Coach stressed the importance of good sportsmanship, fair play, and hard work while striving to help the team become a smooth running and efficient machine with each man doing his part to win.

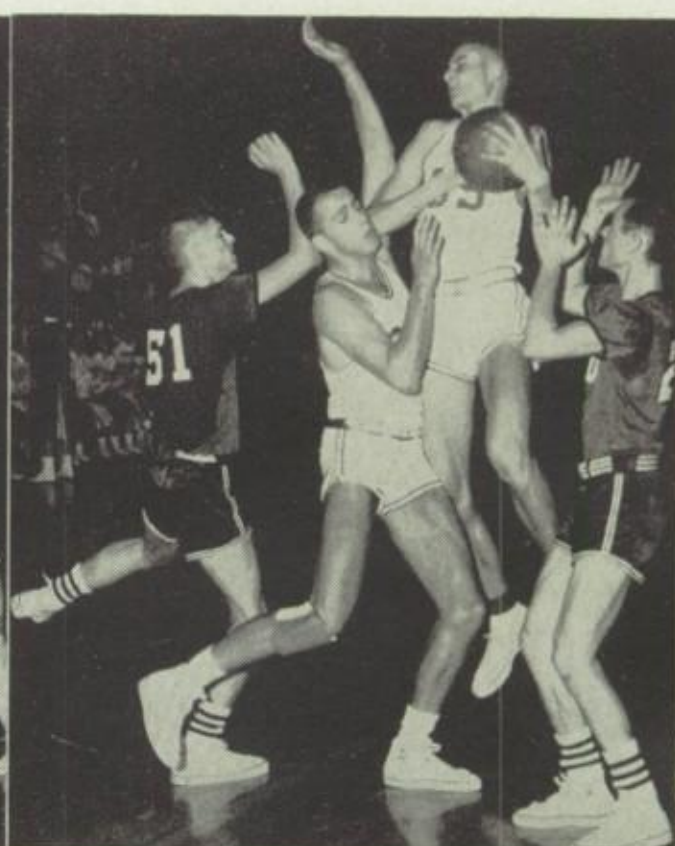

Mr. Sebastian returned to his high school alma mater as coach in 1947 and barely missed the two Interscholastic league championships. Since then, his teams have always had high morals and good school spirit. All sports' teams are faced with the ups and downs and East is no exception. This year, however, they hit a good winning streak in order to accept first place championship.

Bruins Lose in Overtime

On January 15, the Cadets of De La Salle slipped by the Bears in an overtime game of 31-29. With the Bears leading by 4 points, both teams found the basket elusive throughout the first half.

The sputtering Bear offense was ground to a nearly complete halt in the third quarter as the Bears collected a grand total of only 2 points while De La Salle ripped by them for 16 points. The fourth quarter saw the tables again turned as the Bears hit 14 points and the Cadets hit only 4. This tied the game up and gave the battling Bears another chance which promptly was lost as they failed to score in the few minutes of overtime.

Bears Fall to Raytown

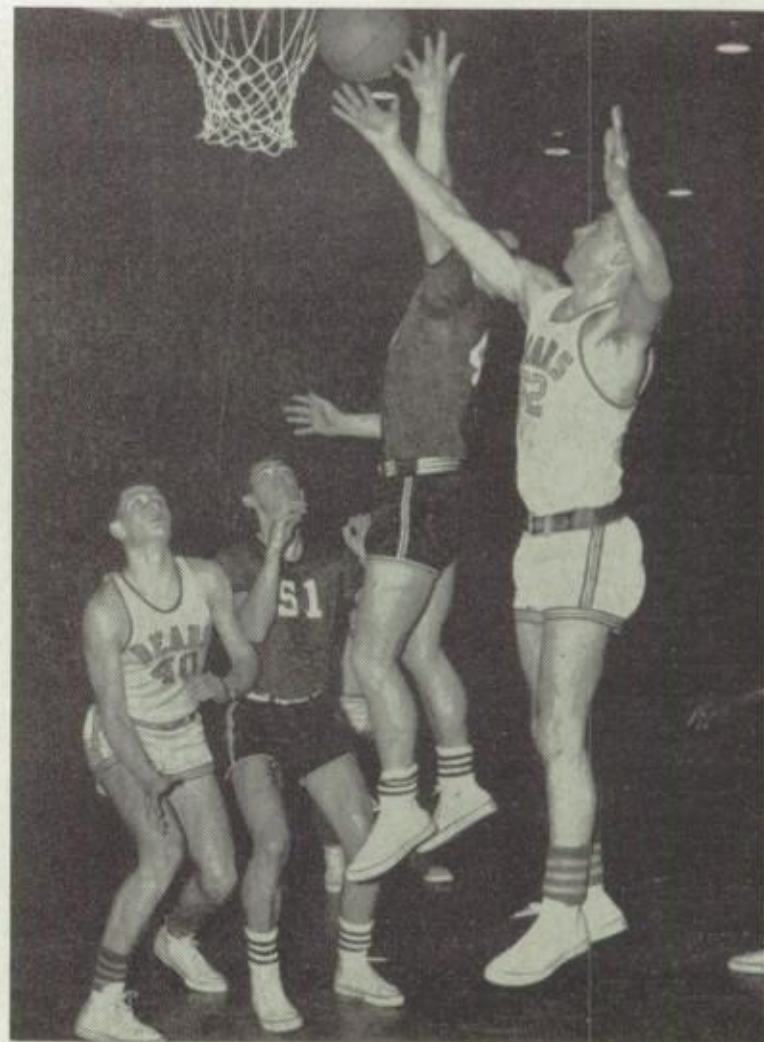

The Bears, in their third outing, suffered a relapse as they absorbed a 24-39 loss at the hands of Raytown. The Bears hit only 7 of 36 attempts. High point man for the Bears with 10 points was Bryan Miller, followed closely by Dennis Elmore with 7 points, five of these from the free throw line. The Bears stayed within 5 points until the fourth quarter when they fell far behind. A 16-point outburst by the Blue Jays gave them a commanding 15-point lead.

Chrisman Is Victorious

The Bruins journeyed outside the league to engage the William Chrisman Bears on their home court. The East cagers managed to stay even through the first quarter but were down by 4 points at the half.

The East Bruins fell steadily behind in the second half and were down by 2 points at the end of the third period. In the fourth quarter East saw Chrisman salt the victory away with a solid 17-point outburst, while the East Bears were picking up only 8 points. Albert Miller was high point man for the East team, despite the fact that he didn't play the entire second half as Chrisman raced by East 54-38.

DENNIS ELMORE AND A WILLIAM CHRISMAN PLAYER GO UP for a rebound as Bryan Miller (51) looks on.

ALBERT MILLER GOES IN for two points with Tim Bishop (40) blocking the way of two players.

East Whips Van Horn

The East Bears, led by Albert Miller, Dennis Elmore, and Bryan Miller, scoring 19, 13, and 12 points, respectively, with Tim Bishop scoring 8 points to round out the Bear scoring for the evening, raced past a helpless Van Horn in the consolation contest in the Southeast Tournament, December 5th, at Southeast.

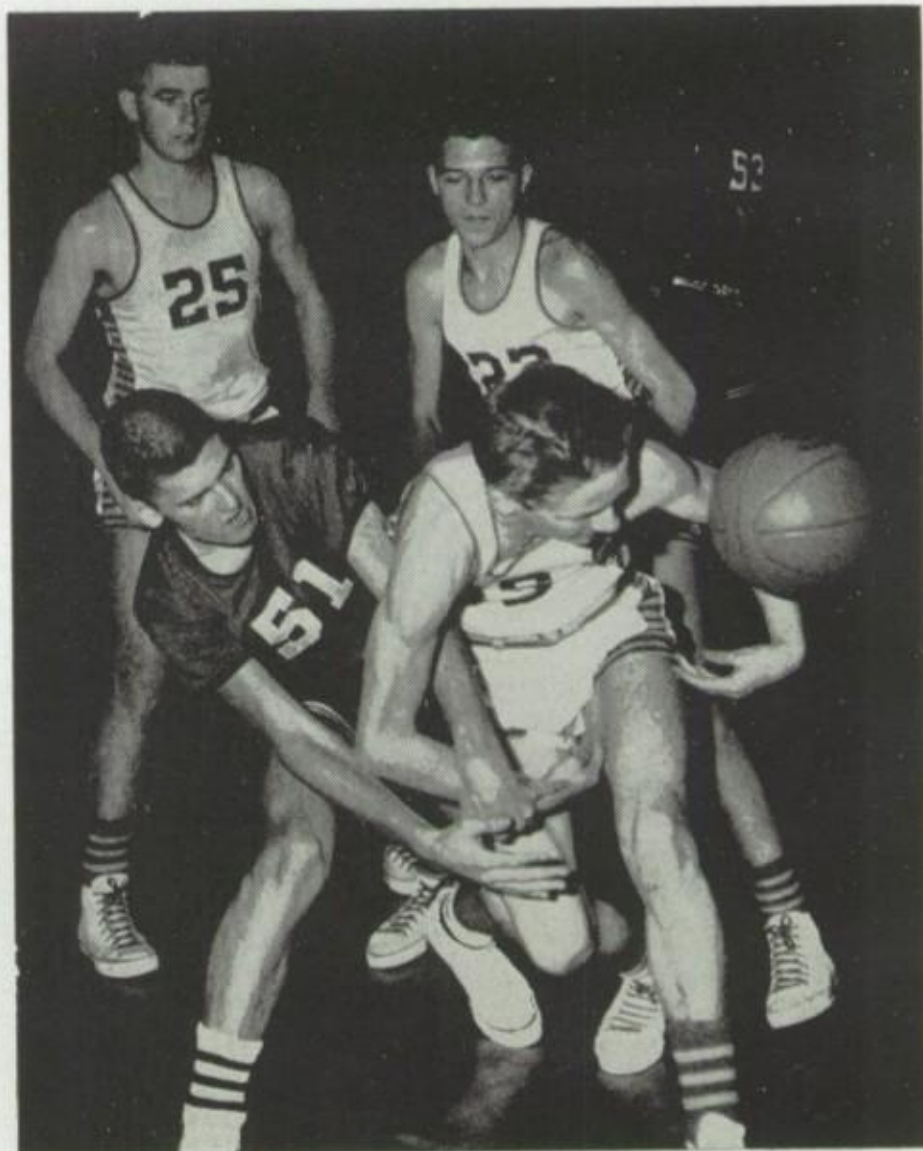

The Bears again started quickly and poured it on to lead the Falcons, 19-6, at the close of the first quarter with deadly shooting and a solid defense playing the key role. The Bears kept up a steady barrage and held a comfortable 31-14 lead at the half with Albert Miller having already hit 11 points and Bryan Miller 8 points.

The third quarter saw the Bears slow down and nearly lose the range of the basket. However, the Van Horn five remained cold, but the Bears came back strong in the fourth to smash a Van Horn hope for victory. The Bruins' early lead never failed as the Bears substituted freely in the final minutes of the third quarter and throughout the fourth quarter. Never below 10 points, all the Bears saw action as they easily coasted home to the tune of 52-35.

BRYAN MILLER IS SURROUNDED as he tries to get the ball from a Redemptorist player.

Rockets Dump Bears

The East Bears opened the '59 season on a sour note as they were drubbed by Redemptorist, 51-33, on the Southeast court on December 4. The Bears were never in contention as they scored only 6 points in the entire first half. The third quarter saw the Bears come to life as they scored 13 points, but they were still way short. The Bears still looked good in the fourth, particularly in the case of Albert Miller who came to life to score 14 points. Even this tremendous effort failed to pull the Bruins close as no other Bear found the hoop for the entire fourth quarter. The Bears again fell far behind. Other than this one brief flash of excitement, the Bear rooters found little to cheer about as the Bears were completely outplayed, and everything they did seemed to backfire. High-point man for the Bears was Albert Miller with 16 points.

Bears Pin Manual

The Bears gained the finals of the league tournament by squeezing out a 34-33 decision over a spirited group of Manual courtmen.

The game began with the Bears hitting everything but baskets as the scoreboard remained idle. Neither team found the range. The Bears still managed to come out on top 7-5 as the first quarter closed. The Bears led 19-9 at the half as the second quarter saw some improvement in the Bears' style of play.

Their scoring punch slowed down in the final stanzas, but the comfortable Bear lead, although slashed to the bone, held up as the Bears hung on to pin the defeat tag on the Redbirds. Leading the Bear attack was Albert Miller with 16 points, followed by four more Bears with 4 points each.

East Overwhelms Tigers

The Bears gained a berth in the semi-finals of the League Tournament by defeating the defending League Champion Lincoln Tigers, 49-45, at Van Horn in the first round. The game was a slam-bang affair through the first quarter and ended in a 15-15

deadlock, as Albert Miller kept the Bears fired up with a 10-point output. The Bears outscored the Tigers in every quarter but the first. The lead was never large but remained constant throughout most of the game.

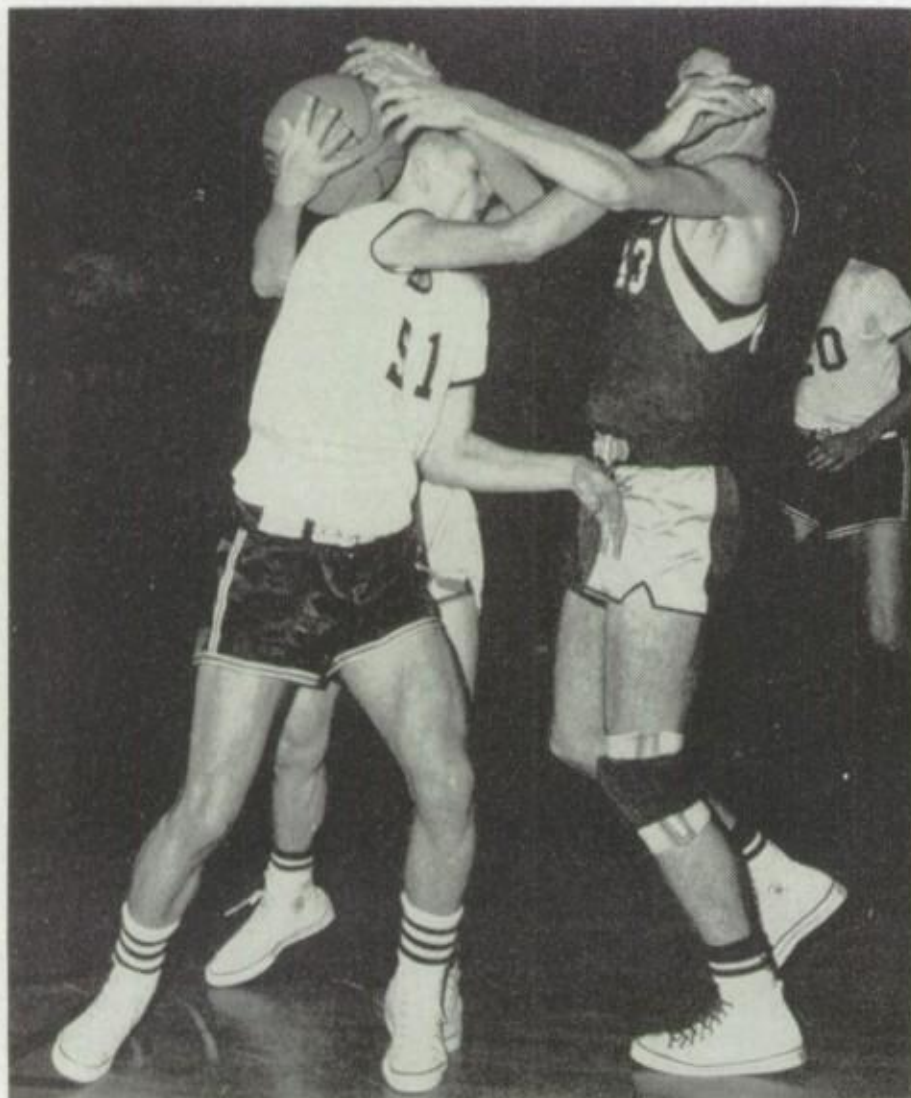

After the close of the first quarter, however, the Bruins began to build a fire and led by two points at the half. The Bears then led the rest of the way as they slowly but surely increased their lead due chiefly to the efforts of Albert Miller's 25-point output, along with Dennis Elmore's 11 points and Bryan Miller's 9 points.

The Bears outscored the Tigers and coasted their way into the semi-finals.

Westport Scorches East

In the finals of the League Tournament the East Bears were tripped up, 46-39, by the Westport Tigers. The lead changed hands time and again as first one team and then the other hit a hot streak. The first quarter saw the Tigers come out on top, 11-8. The Bruins then hit a hot streak to tie the score and then slip to a 1-point lead as the first half closed.

The Bears hung on through the third quarter but were down by 2 points due to a slow-up of baskets. However, Albert Miller, who captured game honors with 23 points, followed far behind by Bryan Miller with 5, kept hitting the range. The fourth quarter was all Westport's, and the game closed with a Westport victory, 46-39.

BRYAN MILLER (51) MISSES a ball as it is grabbed from his back.

Bears Pass Up Knights

The East Bears, hitting a torrid 53 per cent of their shots, raced by the Knights of Southeast for their second league victory. The team of Miller and Miller proved too much for the Knights as together they scored 38 points in the Bear 57-41 victory. Bryan Miller hit 18 points in the first half to keep the Bears out of danger as Southeast was never closer than 5 points.

In the second half, the Knights tightened up the middle to stop the hot-handed Bryan. They held him to a mere 4 points. This strategy would have worked perfectly had it not been for Albert Miller who found the outside unguarded and started banging away from the field. He dumped in 12 points to maintain the Bears' 10-point lead at all times.

High man for the game was Bryan Miller with 22 points, followed closely by Albert Miller with 18 points. This made the Bears' 2-0 league score, which tied them for the lead with three other teams.

Bears Capture Van Horn

The Bears opened the Interscholastic League season on January 8th with a 53-40 thrashing of Van Horn on the Falcons' court. The Bears and Falcons both started in a similar fashion, and the Bears led by only 3 points, 10-7, at the close of the initial stanza. In the second frame the Bears continued to build their lead, and they were ahead by 7 points at the half.

In the third period the Bears completely smashed the Van Horn hopes by racing to a commanding 12-points. The Bear lead in this case was hardly shaken, and they finished with a comfortable 55-40 margin, thanks to the 16-point output by Bryan Miller followed by a 15-point output by Albert Miller, and Dennis Elmore and Richard Pemberton with 8 points each.

East Slips by Vikings

In a close game on January 22, the Bears slipped by Northeast 40-35. A surprise 15-point output by Wayne Britt, combined with Albert Miller's 17 points, kept the Bears ahead throughout the evening. Following intermission, the Bears were constantly in the lead, but with 3 minutes and 15 seconds to go in the final quarter, the Vikings closed the gap to 34-32. Later, Dennis Elmore sank a layup, pushing the Bear lead to 4 points. The Vikings had two more chances to score, when a bad pass gave them the ball and again the ball was knocked out of Albert Miller's hands for a technical foul on the throw-in. The Vikings missed both of their shots, and the Bears sewed it up when Richard Pemberton hit 2 from the charity strip.

Central Races by East

The inability of the East Bears to hit from the field proved costly as the 24 per cent shooting average helped Central to race by the ailing Bears, 44-31, and to hand the Bruins their first defeat in league play. The Millers, who had been the Bear scoring punch, still not up to par as a result of sickness, were limited to a combined total of 25 points. Actually, the entire team looked bad, and at no time did they possess the alertness and sharp ball handling that they had exhibited in the three previous games. Albert Miller managed to hit only 8 of 26 attempts but still was able to claim high-point honors for the evening with 18 points. Over all, the Bears looked

ragged and at no time after the first quarter did they manage to pose a threat to the Eagles' lead. The Bears were down by only one at the close of the first quarter but trailed, 20-14, at the half. The Eagles built their lead slowly both after the intermission and in the fourth quarter. Holding the commanding lead at all times, the Eagles coasted home easily as the Bears failed to find a winning combination and lost the game.

Lincoln Racks Bears

The overwhelming Lincoln advantage on the backboards and at the charity strip, along with the inability of the Bears to find the basket, enabled the Lincoln Tigers to post a 62-42 decision over the Bears on the Tigers' home court. Lincoln swept the boards for a 32-18 advantage and popped home 23

points from the charity strip. The Bears hung on grimly until shortly before the end of the first half when Lincoln pulled ahead, 22-21. The Tigers then sped away and held a comfortable 7-point lead as the third quarter closed. Despite the efforts of Bryan Miller and Wayne Britt, the Tiger lead grew steadily, and the Bears never again posed a threat. Lincoln's solid 2-1-2 zone worked so well that it held the Bears' leading scorer, Albert Miller, to a meager 7 points. The Tigers happily coasted home behind a pleasant 20-point lead over the Bears. The game ended to the tune of Lincoln victory 64-42.

Westport Sneaks by East

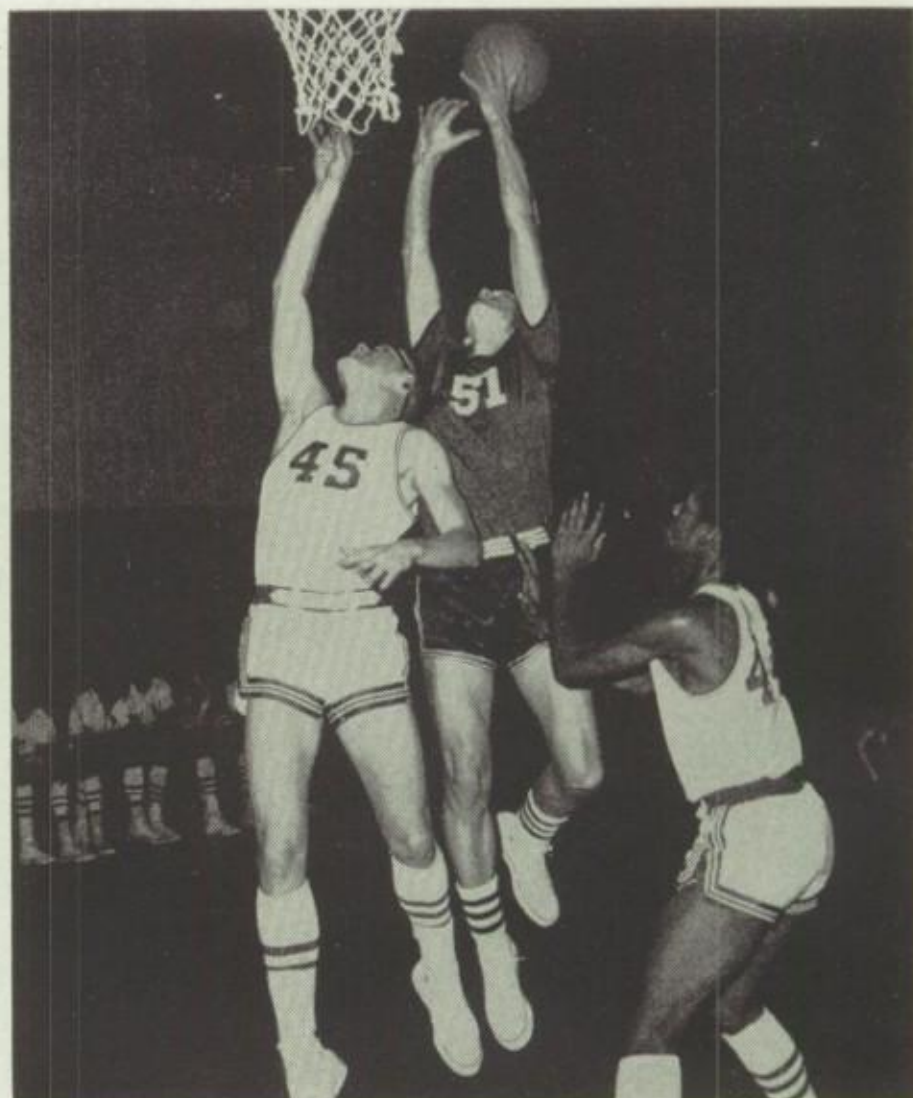

The Bears, after 2 straight losses, bounced back to overwhelm the Westport Tigers, 58-49, and to avenge the loss received in the finals of the league tournament. The Bears made no bones about the outcome of the game as they sped away after a slow start. Albert Miller led the Bear attack as he popped home 22 points. He was followed by Wayne Britt who hit 12 points. Wyatt Britt, who played his first game of the season, snagged 16 rebounds and scored 8 points, along with Bryan Miller. The Bear attack started slowly but was soon rolling as they scored 15 points before the quarter. Then they held an 8-point lead, which they were able to keep. At one point, the Bears were able to hit 7 straight before Westport again counted. At the start of the last stanza, the Bears led by 10 points. This boosted the league record to 4-2 and kept them in contention for the title.

Bears Fall to Indians

The Bears tumbled to their third league loss at the hands of the Southwest Indians, 60-55. Fouls proved costly as the Indians made the cords sing, hitting 22 of their 32 charities, while the Bears collected 11 of 16. The Bruins outhit the Indians from the field 22-19 with Albert Miller hitting 12 as he racked up a total of 29 points for game honors. The Bears were down 41-39 at the start of the third period but slipped quickly to a 43-41 lead with one minute and 20 seconds gone. The Indians, however, refused to yield and finally captured the victory.

Bears Tumble Paseo

East's faint championship hopes were kept alive when the Bears raced by Paseo 58-44 to post their fifth victory against three losses. The Bears opened to a quick 17-6 lead early in the game and led the rest of the way as the Pirates failed to pose a threat. In the first half Dennis Elmore dumped in 11 points to keep the Bruins in command. In the second half Bryan Miller scored 11 of his 18 points as he tied for high-point honors for the evening with Kedigh of

Bears Scorch Redbirds

The East Bears earned a portion of the Inter-scholastic championship on February 27, by nosing out Manual in the season finale, 58-56.

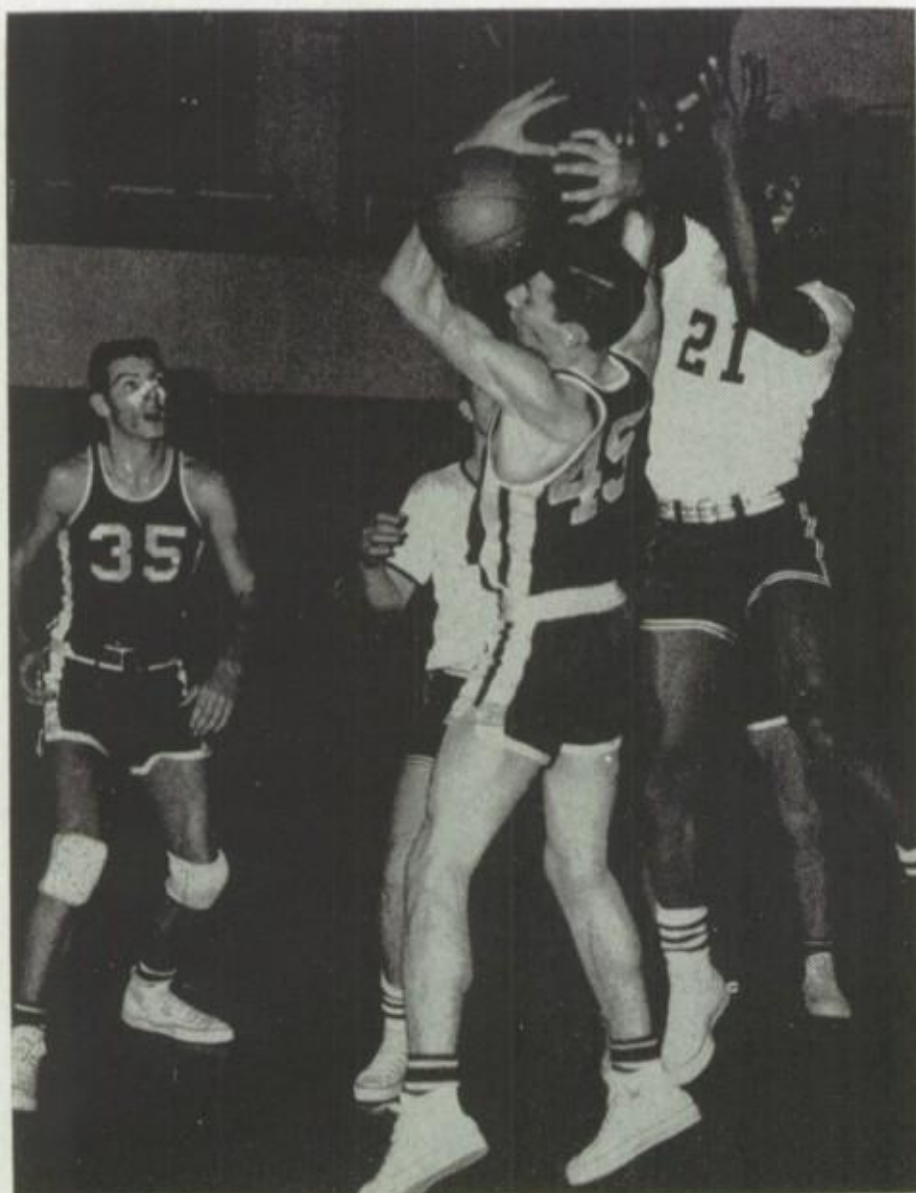

The Bears were behind most of the first half, despite an 11-point output by Albert Miller. The Bears returned in the second half to collect 14 points to even the score at 41-41 to end the third period.

In the fourth quarter, the Bears raced to a 7-point lead behind the 7-point performance of Bryan Miller and a 6-point output by Albert Miller.

It looked as if the Bears had the victory sewed up as a Redbird rally quickly cut the Bear margin to 2 points. High-point performance for the game was Albert Miller who hit 21 points. Fouls then fouled the Manual offense, and time ran out with the Bears still possessing a 2-point lead. The victory enabled the Bears to gain a championship berth for the first time since 1955. However, they were forced to share honors, as the league ended in a three-way tie for first place.

Bishop Miege Tops Bears

A fired-up Albert Miller again led the Bears' scoring with 24 points as the Bears journeyed to Kansas to engage the Bishop Miege team of five on their own court only to drop a tight loss to the tune of a 62-56 decision in favor of the Stags.

The Bears unnerved the Bishop Miege rooters as they raced to a quick 13-1 lead early in the first stanza of the game, but the Bears held a 16-8 edge at the end of the first quarter. Bishop Miege came to life late in the first quarter, and by the end of the second quarter the Stags held a 1-point lead.

The Stags raced away with their new lead and only a fourth quarter Bear rally pulled the Bruins within striking distance of the previous 10-point Stag lead at the end of the third quarter.

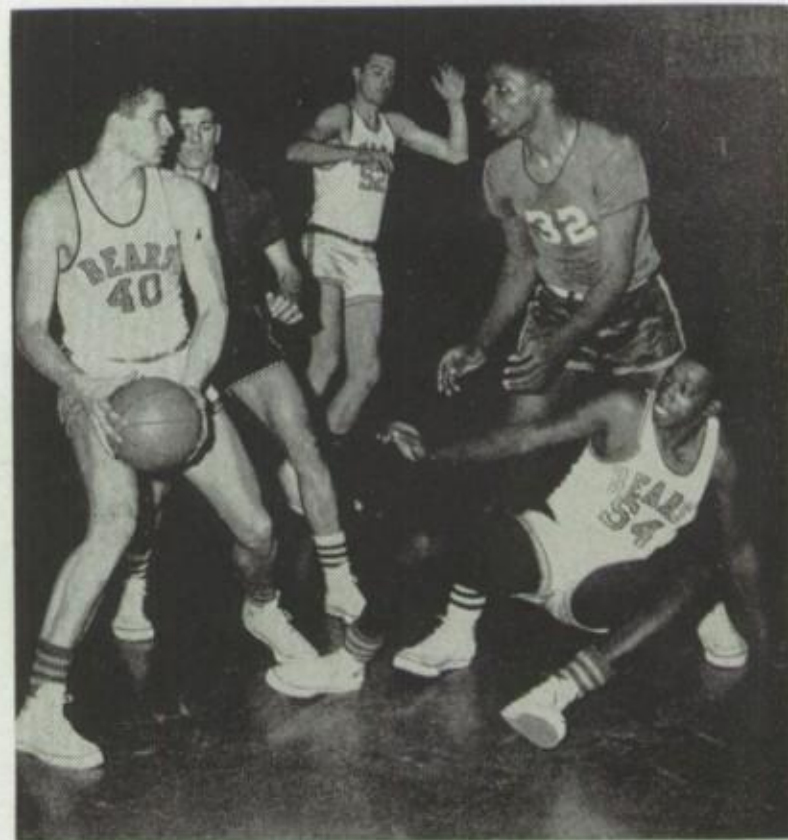

The Bears then caught fire with Albert Miller collecting 8 points and Dennis Elmore hitting 6 of his 13 basket attempts for the evening.

Rams Win in Overtime

In a hard, close-fought game on December 12, the Bears dropped a heart-breaking 40-38 decision in overtime to the Rams of Hogan. In the overtime period the tension mounted as the teams exchanged point for point, and it began to look as if another period would be needed to settle the matter. Then, with time running out, the Rams forged ahead by two, and the Bears failed to match the basket to give the Rams a 40-38 victory.

The scoring was fairly-well distributed as three Bruins managed to score in double figures with Dennis Elmore leading the way with 15, followed closely by Albert Miller with 12 and Bryan Miller with 10. Still the Bears were unable to pull away from the Rams and after leading most of the way saw the lead vanish as the Rams knotted the score at 33-33 deadlock to end the game.

BRYAN MILLER (51) AND WYATT BRITT (32) CLOSE IN on a William Chrisman ball handler as his teammate takes time out on the floor.

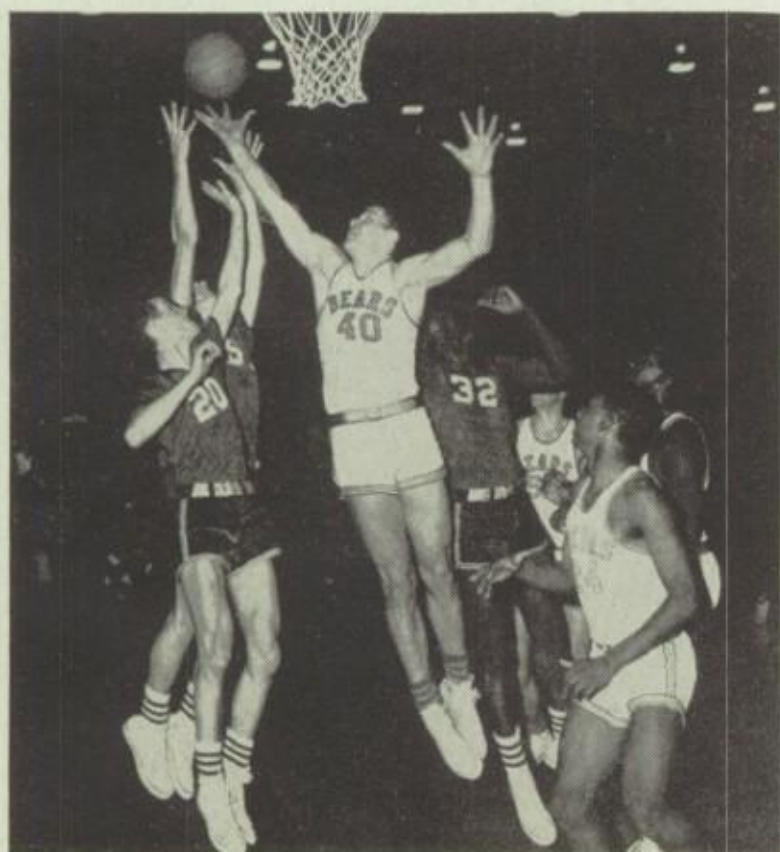

Victory Over Chrisman

In the first game of the regionals at Chrisman the Bears shocked Chrisman by squeezing out a 51-49 victory over the highly-rated Chrisman Bears. The Bruins again started slowly and were down 8 points at the half but used a 26-point output by Albert Miller, 15 points of which were scored in the last half, to upset Chrisman 51-49. The Bears led 50-49 when Albert Miller sank a free throw with 7 seconds remaining to insure an East victory. The second half was a nerve-tingling, topsy-turvy affair as the score was tied 3 times and the lead changed hands 3 times before the Bears went ahead to stay.

Northeast Triumphs

In the second game of the regional finals, the Bears began with a hard fight and looked as if they were going to give the Northeast Vikings a rough time. This continued until the end of the first quarter. Miller had 7 points then but he made a complete about face as the entire team came to a standstill. By half time, the Vikings had taken over and led the Bears by 10 points. The second half found the Bears even more helpless as the Vikings built an insurmountable lead and easily coasted home, 62-38. Dennis Elmore led the final attack of the Bears with an 11-point top. Albert Miller followed with 8 points as he managed to collect one point in the final quarter.

Bears Smash Liberty

The biggest feature in the Bear 65-41 smashing of Liberty in the consolation game in the William Chrisman Regionals was the amazing Albert Miller, who smashed the individual game high-scoring record at East by hitting 18 field goals and 5 charity shots for 41 points.

There seemed to be no doubt in the Bears' minds as to who should win from the start as they jumped off to a commanding 17-7 lead and led by 14 points at the half.

In the second half the Bears really blew any hopes the Liberty rooters might have had for a victory, as the Bears' lead soared to 19 points. Still not satisfied, Albert Miller ripped the cords for 16 more points in the fourth. The Bears coasted home easily with 65-41.

"BOUNCY, BOUNCY, COM' ON MIKE, it's time to play basketball," seems to apply to Mike Fisher (54).

B-Team Has Even Season

The East B-Team had a 50 per cent average in 14 games with a record of 7 wins and 7 losses. The team started slowly when it dropped the opener to Raytown, but rallied and came back in the next two games to beat Hogan and Van Horn. They ended the first half of the season with a 3 won and 4 lost record.

In the second part of the season they reversed their record for the first part of the season by winning 4 and losing 3. The Cubs evened their season record at the expense of Central, Lincoln, Paseo, and Manual while being tripped up by Westport, Bishop Miege, and Southwest.

The season scoring honors were shared by Warren Britt, Bill Shaw, and William Harrison through the greater part of the games.

Cindermen Show Record-Breaking Ability

The teams of the greater Kansas City area found the problem of keeping in shape for the 1960 season a difficult task this year as the bitter cold and unusually large accumulation of snow combined to keep the trackmen indoors.

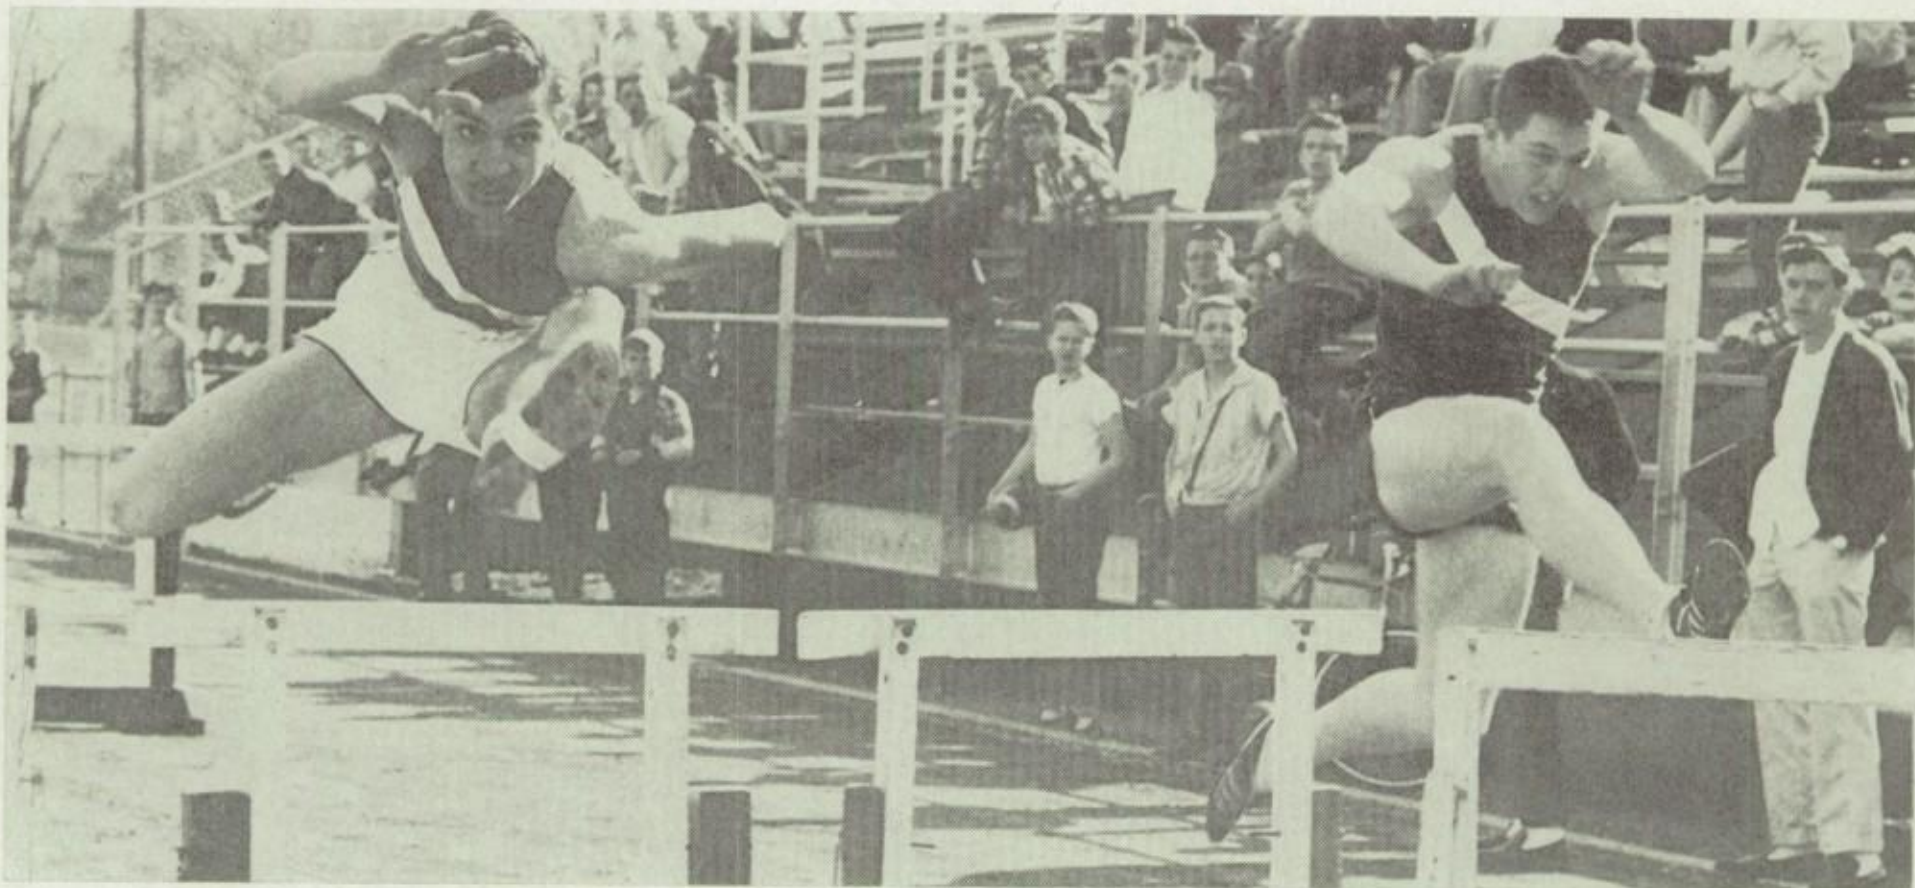

The ever-watchful Roy Brown, East's well-known and highly respected veteran of the track oval, was constantly busy seeing that every boy stayed in shape. Finally the long wait ended as the weather began to clear and the team moved outdoors to put

the finishing touches on their efforts. However, due to the late start, the number of track meets was down considerably from previous years.

Carl Rhoads proved to be East's most consistent point-getter as time after time he placed and won in the high and low hurdle events. The Bear home season was capped by the magnificent Santa Fe Relays which has become well known and always provides a host of new records, thrills, and excitement.

Second Goes to East in Tri-meet

The only tri-meet of the season saw the Eagles of Central trip up both the East Bears and the Indians of Southwest with a fine team effort and good depth.

The Eagles captured five firsts as did the Bears; however, the Bears failed to show the strength which carried the Eagles home with 50 points. The Bears and Indians were forced to settle for a second place tie with 32 points from second and third place finishes, while the Bears were led by Carl Rhoads and Dick Potts.

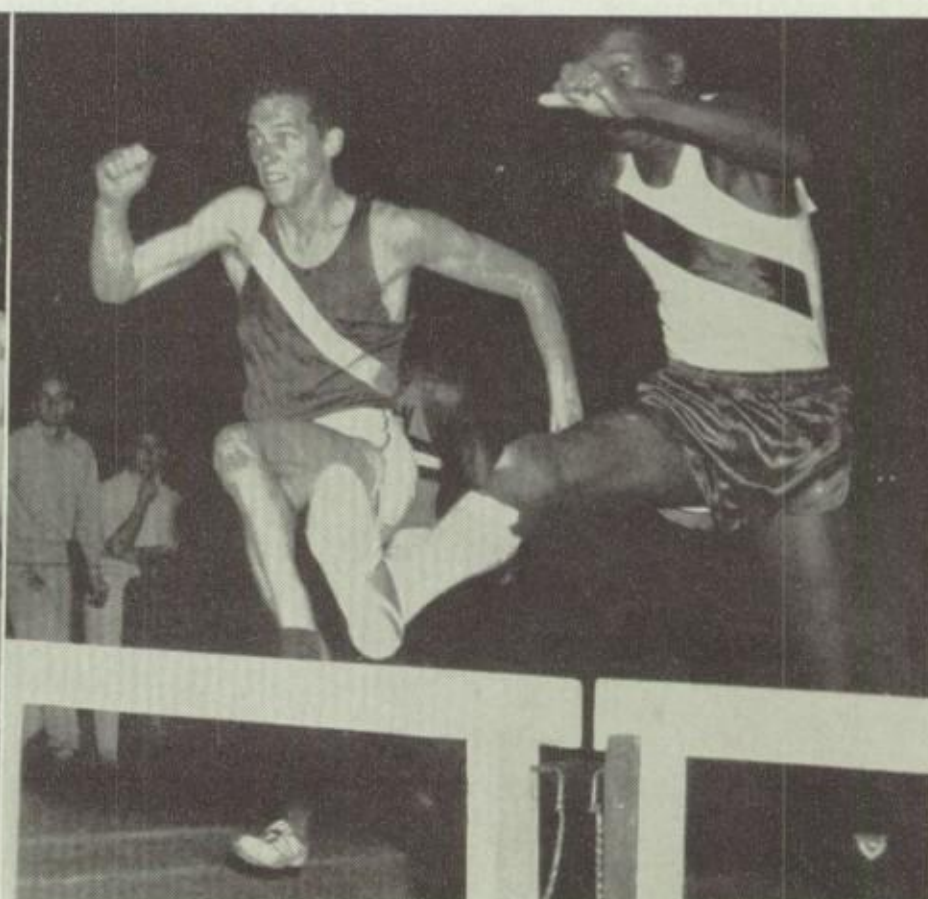

Carl Rhoads raced home to capture a first in both the high and low hurdles while Potts picked up a first in the broad jump and two seconds in both the high jump and again in the high hurdles. Completing the list of the Bears' first place finishers were Jerry Vaughn in the 880 and with a first gained by Bob Scott in the shot.

The Eagles, aside from their five firsts, collected six seconds and four thirds, while the Bears managed to claim only two seconds and one third.

Bears Place at Jewell and Defeat Lee's Summit

On April 22nd the William Jewell relays played host to 25 schools with the Bears managing to salvage a 10th place finish with only 3 Bears landing in the point-scoring column. Don Thomsen managed to finish fifth in the mile with the Bears' only other points coming when Carl Rhoads, the Bears' smooth-sailing hurdler, captured a third place in the 180-yard low hurdles, coupled with a first in the 120-high hurdles as he raced home with a :14.9 clocking to set a new record for East and the William Jewell meet. Carl, who had qualified earlier, had been behind Westport's Danny Hudgins who had tied the meet record of :15 flat in qualifying and came on strong and slowly but constantly built a lead and in a flying finish broke the tape to knock off one-tenth of a second.

The only dual meet of the season saw the Bears slip by Lee's Summit, 57-49. Carl Rhoads led the Bear speedsters with three firsts, one in the 120-yard high hurdles with a :15.5 clocking, one in the 100-yard dash, and the third in the 180 low hurdles event. Also grabbing firsts were Bill Baker in the 220-yard dash, Jerry Vaughn in the 880, Thomsen in the mile and 440, and Bob Scott in the shot. The Bears combined the efforts of Jerry Owens, James Hobby, Albert Miller, and Bill Baker to capture a first in the 880 relay. In the meantime, Lee's Summit had proceeded to capture first in the following events: mile relay, broadjump, high jump, and pole vault. The Bears lacked the depth of Lee's Summit, but the Bears' strong front liners proved to be enough. Again the bad weather must be credited as the cause for only one dual meet during the entire season.

Bears Take Third Place at K.C.U. Meet

The East Bears raced to a third place finish in the field of eleven entries with a 29-point total at the Annual Kansas City University Field and Track Meet Saturday, April 9, on the K. C. U. track. Westport captured first for the day by edging out Southwest by one point. The Bears couldn't seem to find the extra boost which would have given them a first place victory; instead, the cindermen placed in six events, lacking the front liners.

The Bears' mile relay team captured a first with Bill Baker, Larry Hobby, Carl Rhoads and Donald Thomsen combining four fine efforts to race home with a 3:34.1 clocking. Thomsen also captured a second in the mile while Rhoads grabbed a second in the 120-yard high hurdles. Bill Baker placed third in the 100-yard dash, and a team effort produced a third place finish in the 880 event. Bob Scott rounded out the Bear scoring with a fourth place finish in the shot. Due to the hard work and determined effort of the entire team, the Bears claimed a respectable third place finish.

Santa Fe Relays

The fourth annual Santa Fe Relays were held on Monday, May 2, after being postponed the preceding Friday by heavy rains. The big event of the meet as far as the Bears were concerned was Carl Rhoads' fabulous 14.6 time in the 120-yard high hurdles. The Bears scored a total of 30 points as the Bears' Don Thomsen captured second in the mile. Bob Scott heaved the iron ball 48 feet 5.5 inches for a third in the shot while Don Thomsen and Jerry Vaughn finished one, two in the 880. Twelve schools were represented in the meet and the cool weather and wind were factors in the events. The crowd, however, was a strong 1,500 and kept up a constant roar throughout the evening. Rhoads' astonishing time missed the state record by one-tenth of a second and sent hopes soaring for a new record before the season closed.

Annual State Trials Held at Nowlin Field

Balmy skies, a warm wind, and the cheers and shouts of the ardent followers of 25 area schools combined to spur on the more than 400 athletes from the Greater Kansas City area who gathered on Nowlin Field Saturday, May 14, for the annual warm-up trials for the state meet held later.

The Bruins of East made a very fine eighth place finish with 12 points as highly favored Raytown took first for the day, again displaying the fine, all-around balance which has proven them one of the strongest schools in the area.

The Bears, however, missed the record-setting spotlight as they failed to finish first in any event. They did, however, manage 2 seconds, 1 third, 1 fifth, a sixth, and 1 seventh. Capturing the Bears' first second was the Bears' cinder-burning hurdler, Carl Rhoads, who was edged out by inches in the

120-yard high hurdles. The Bears then made a surprisingly fine showing in the mile relay as Don Thomsen, Bill Baker, James Hobby and Carl Rhoads combined to thrill the East fans as they ripped home with a solid second place finish close behind the record-setting four from North Kansas City.

Rhoads again figured in the Bear scoring as he salvaged a third in the 180-yard lows, while Richard Potts sailed 19 feet 10½ inches to capture the fifth in the broad jump. Rounding out the Bear point-getters was Don Thomsen, who finished sixth in the mile and Bob Scott, whose heave of 46 feet 11 inches in the 12-pound shot was good for a seventh place berth. This closed out the track season for the year and because of the number of returning lettermen, East High School can well look to a fine sport season in 1960-61.

Bears Sweep Falcons

On Tuesday, May 10, a dual meet was held on Nowlin Field with the Bear cindermen hosting the Van Horn Falcons. The Bears turned the outing into a complete rout as they raced to ten firsts and a first place tie, while the Falcons managed to collect only two clear firsts and one first place tie.

The Bruins also captured four seconds and one third place tie to give them a smashing 62-30 victory.

The Bears captured both first and second in the 120-yard high hurdles with Rhoads leading the way with a 15.5 clocking followed closely by Dick Potts who was a close second in the 100-yard dash with Bill Baker grabbing first and Albert Miller burning up the cinders close behind. Closing out the Bears list of one-two finishers were Bill Mack and Bob Scott in the shot, and James Hobby and Albert Miller in the 220. The Bears also captured first in the mile with Don Thomsen grabbing the honors in the 440, as Hobby once again was the winner. Completing the Bears' list of first place winners were Carl Rhoads in the low hurdles, Vaughn in the 880, Richard Potts in the broad jump and in the mile relay.

Bears Show Tennis Skill

Leading the tennis team in its third year of Inter-scholastic league competition was Coach Harry H. Hommes.

Playing most games away from home because of lack of facilities, the team members spent many hours perfecting their serves and returns. The tennis courts at Ashland Square served as grounds for practicing. The blur of the white sphere, from racket to court, was seen each weekday during the fall and spring.

Taking first in doubles in the league tournament was the team of Dennis Elmore and Gary Murray. The same team also placed second in the regional tournament. These were several brilliant facets to an otherwise depressing season.

Although tennis is a minor sport, letters were presented at the awards assembly to those who fulfilled the requirements.

Since its beginning three years ago, interest in the tennis team has increased. It is expected that with the returning lettermen next year, the team membership will reach its greatest capacity.

Physical Activities Keep Girls Busy Throughout Year

Interesting and various activities were the main interest of the girls who were athletically inclined this year. Two volleyball sports day games were played this year; one with Southeast, 9 to 26, and the other with Central, 10 to 42. Both of these proud victories were played at Southeast.

Chuckles and roars of laughter could be heard coming from the boys' gym on March 21st, the night of the Student-Faculty Volleyball Game. The students tried hard but were unable to defeat the pros.

The Seniors won the Junior-Senior Basketball Game, 25 to 16. Both the basketball and volleyball games were sponsored by the Athenians.

Athenians are a group of girls who form the sports club here at East. This year the organization consisted of twenty-four members who met every two weeks. Each year they have a special service project. This year it was purchasing sweat shirts and warm-up pants for the Sports Day Team. This project was carried over from last year's group.

Their main social activity of the year was a camp-out at Knob Noster State Park which was held in May. Other activities of this group, such as sponsoring the Junior-Senior Basketball game and the Student-Faculty Volleyball game, were led by Miss Helen Cox. The money received from these two functions went into the club's treasury for activities and materials. Picnics and formal teas were also activities of this organization.

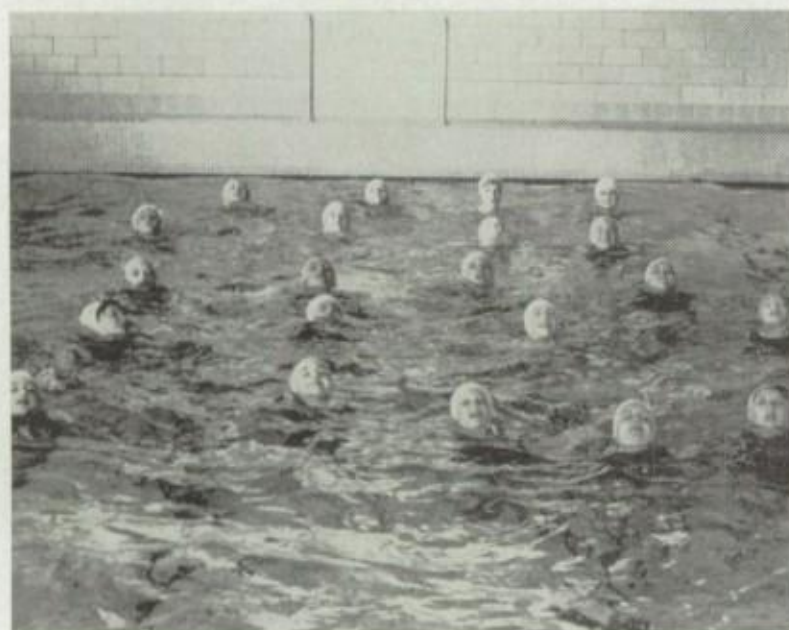

Each year these girls participate in the sports days held competitively with other girls' sports clubs from the different Kansas City high schools.

"NO, YOU HOLD IT THIS WAY," explain the R.O.T.C. cadets as they teach members of G.P.E. classes how to shoot a gun.

Synchronized Swimming Sea Nymphs Display Swim Ability

The main project of the "Sea Nymphs" this year was the swim show. Three performances were given, two of them in the afternoon on May 11th and 12th. On May 13th the evening show was "By the Sea." The girls' costumes this year were 1920 bathing suits. Opening the show was the number "By the Sea"; the closing number was "Beyond the Sea." These two performances were the two main events of the shows.

This organization consisted of thirty-three members who performed strokes and stunts to the rhythm and melody of music. Every Thursday was practice day. During these periods they worked hard for many hours to try to synchronize their strokes and stunts to fit the music. The club was organized last year. It is open to anyone who can pass the tryouts and is sponsored by Miss Sondra Kiser.

Modern Dance

Dance Creates Interest

The Modern Dance Club was formed in the fall of 1959, due to the interest shown by a group of young women in studying dance. The purpose of the organization was to study the dance forms and create new dance forms along with their accompanying arts, music, drama, and design; and to promote personal and community interest in the dance. The girls put in many hours of hard work and acquired aching muscles so that they could introduce this fascinating art and dance to those who were interested. Work and fun were the main activities of these girls.

To our printing company, Smith-Grievess, we give our sincere appreciation. Through their representatives we decided the style of our book—the headlines, type, and captions.

Our friends at Burger-Baird Engraving Company were most helpful when problems arose. In the end, we found that we could smile over the mistakes we made.

The staff of Rolland Studio gave us service beyond the call of duty. On a moment's notice they supplied us with pictures which we needed for the book.

The cooperation of the faculty, students, and administration made it possible for us to leave school at any time in order to get the book ready for publication.

Our work has been completed. Without you, the reader, our book could not have been successful. Thank you for the part you played in the 1960 Eastonian.

A Pre-Determined Destination?

Top: HONESTLY! YOU REALLY DON'T HAVE TO SWEEP THE FLOORS AND CLEAN THE LOCKERS, as is done by Lana Hart and Ronnie Gulick, voted "Done Most for East."

Corner: EXHIBITING TROPHIES WHICH REPRESENT THEIR POPULARITY are Nancy Hubler and Lowell Fisher, voted "Most Popular."

SAFE CRACKING COMES EASY, as does everything else to our "Most Likely to Succeed" Linda Crust and Dennis Elmore.

PRETENDING NOT TO BE IDEAL are Marcia Maloney and Jerry Womack, the "Ideal Girl and Boy."

We're Off . . . Whoosh

Top: "CLASS CLOWN" is a title that Linda Wilson and Joe Needles live up to as not even the flag pole escapes their capers.

Corner: "MOST BASHFUL," Anna Nell Zacharko and Ted Nusbaum find something even in the phone booth to blush about.

"OH, WOULDN'T I?" Beverly Hatch warns Jim Hoel as they prove to be the "Best Bluffers."

YOU'LL NEVER FIND Janice Houtchens and Chuck Quenette without a smile as they fit their title of "Jolly Good Girl and Boy."

Soak It With Neutrons

Top: OFF AGAIN TO ANOTHER SOCIAL EVENT ARE Julia Hoover and Wally Laws, "Social Belle and Lion."

Corner: LEARNING HOW TO PLAY ANOTHER INSTRUMENT, Richard Gordon takes a lesson on the cello from Barbara Tague as they played their way to the title of "Best Musicians."

SORE FEET IS THE PRICE Sherrill Proctor and Don Burnell pay by being chosen "Best Dancers."

NO SPORT IS OUT OF THE REACH OF Judy Jones and Albert Miller, as they were voted "Best Athletes" on the senior ballot.

Countdown 4-3-2-1-Fizzle

PROPOSING ISN'T ALWAYS BORING, but it makes a good action shot as shown by Jerrie Branson and Jerry Rapp, "Best Actress and Actor."

WILL THIS PICTURE FLATTER US? Mary Hutson and Ray Egan wonder as they were voted "Worst Flatterers."

DOES HE NEED A MUSTACHE? Donna Hammtree tries to fool us by pretending she painted Martin Osborn's picture. They were chosen "Best Artists."

The Future's Just Begun

With the school year drawn to a close, many activities made up the grand finale. Among these activities, we find the Junior-Senior Prom, the Fairyland Day Picnic, the Baccalaureate Service, and finally our big day—Commencement. Each of these closing events played an important part in the lives of the Seniors at East. For us it was the end of our high school career. We separate, each into his own field, some never to meet again.

When the Senior accepts his diploma and walks from the platform, he moves into a new life, with new ideals, standards, and friends. Some go off to college, some into the armed forces, everyone into his planned career. With this in mind, we face our new responsibilities as adults, forever striving to uphold our duties as mature Americans.

Still at East High School, however, for many there is a new beginning. Sub-freshmen will enter in September with anticipation and enthusiasm. At first, they hold in their hearts fear . . . fear of the new adventures . . . fear of the long narrow paths for which they must set a pattern. Nonetheless, their fear will begin to lessen as they look forward to each coming year with anxiety. Soon, they, too, will be Seniors. They will eventually accept their responsibilities as those before them. They will set new standards to follow. They will become the leaders of the future as their high school memories begin to fade.
